**Von Megan Nugen Isbell : Last Train Home (The Home Series: Book One) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Train Home (The Home Series: Book One) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wundervoller Beginn einer tollen SerieVon mein Kindle und ichLast Train Home ist das erste Buch der Home Serie, welche sich in den ersten 4 Bchern vorrangig mit Jesse und Riley beschftigt...Jesse, ein "typisches" Landei, und Riley, "typische" versnobte Grostadtzicke, passen auf den ersten Blick so gar nicht zusammen und sind dennoch so perfekt

freinander...Last Train Home befasst sich mit dem Beziehungsanfang der beiden und dem schwierigen Weg den beide zu bewältigen haben, ehe sie sich beide ihre Gefühle freinander eingestehen und zueinander finden...wundervoll geschrieben und wie so oft bei Megan Nuge Isbell, konnte ich die ein oder andere Träne nicht unterdrücken...0 von 0 Kunden fanden die folgende Rezension hilfreich. Schn zu lesen wenn man ein bisschen Englisch lernen möchte Von Meindresch Dieses Buch habe ich hauptsächlich gekauft, da ich ein bisschen besser trainiert und vertraut sein wollte mir dem Englischen Schreiben lesen. Dafür ist es wirklich gut. Als Kombination ist ein Wörterbuch sehr zu empfehlen: Dann kann man immer Wörter, die man nicht weiß, nachschlagen, in dem man mit dem Cursor über das Wort fährt. Wirklich sehr zu empfehlen für so einen oder ähnlichen Zweck! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderfully written Story Von Tahti77 Wonderfully written with lots of Heart in it. A beautiful story of the Journey of love and it's thrilling rollercoaster was.

Kurzbeschreibung Seventeen-year-old Riley Regas has spent her entire life in Boston, so when she learns she'll be picking up and moving to her mother's childhood home of Carver, Kansas, she is less than thrilled. In fact, she is downright furious. Riley's only visited Carver a handful of times. She barely knows her family that lives there and she has no desire to spend her senior year among the backwards residents of Carver. Reluctantly though, her views begin to change when she meets Alex Bettencourt. Alex is popular and gorgeous and Riley's never seen brown eyes quite like his before. While Riley couldn't be happier, she knows Jesse, her best friend in Carver, isn't sure of her new relationship with Alex. She soon finds a balance between Alex and her friends though and life in Carver doesn't seem so bad after all, even if her relationship with her mother is rocky at best. Just when Riley thinks she might be happy in Carver, a single decision changes it all, leaving her to find out who she really is and who matters most in her life before she loses everything. This is the first of eight books in The Home Series.
