Von Mariah Stewart : Last Words: A Novel of Suspense before purchasing it in order to gage whether or not it

would be worth my time, and all praised Last Words: A Novel of Suspense:

**Kurzbeschreibung**From New York Times bestselling author Mariah Stewart comes a novel of sexy romantic suspense for fans of Nora Roberts, Catherine Coulter, and Karen Robards. **THIS KILLER TAKES THEIR BREATH AWAY.** A nine-year veteran of the FBI, special agent Mia Shields thinks shes seen it all. But nothing prepares her for the terror that descends upon the idyllic bayside community of St. Dennis, on Marylands Eastern Shore, where a depraved killer has left a grisly surprise for Chief of Police Gabriel Beck: the body of an unidentified woman, naked and completely encased in plastic wrap, stretched across the back-seat of Becks car. Hidden in the wrapping is a tape recording of the victims last, gasping words, terrifying evidence of the horror endured at the hands of a madman. Soon the body count begins to rise as more victims are found, all gruesomely cocooned, their final pleas also captured on tape. Determined to catch the sadistic killer, Beck and Mia team up and set a trapwith Mia as bait. But their prey is closer than they ever could have imagined. Now Beck must race against time to save Mia from becoming the next victim of a serial killer as elusive as he is evil. **BONUS:** This edition includes an excerpt from Mariah Stewart's Last
