get Waylon's story. I loved the crossover with the Rosen Brothers series and Isabella was just perfect for Waylon to bring him out of his downward spiral. And I loved their banter and how she was able to see the real him from the beginning. Although I hurt for Waylon, I wanted to slap him a few times too...and I was happy he was able to let Isabella in and that with her, he found something worth loving and living for. The epilogue was sweet and perfect and Lasting Heartbreak was a wonderful end to the Unbroken series.

Kurzbeschreibung A long time ago, there was a little boy that faced heartbreak at the hands of his mother. He was forced to replay that same nightmare every night in his sleep, never knowing that it wasn't his fault. His brother Travis raised him the best that he could. He showed him that love was possible, and that good things would come to good people. But that same little boy refused to let anyone in. He believed that he was destined to suffer each day for what had happened in his past. He rebelled. He lashed out. He didn't care what anyone thought about him. What was the point? Meet Waylon... This is his story. Kurzbeschreibung A long time ago, there was a little boy that faced heartbreak at the hands of his mother.
