**Von Seanan McGuire : Late Eclipses (October Daye Series Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Late Eclipses (October Daye Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Tobys

neuer Fall - spannend, aufwühlend - einfach gut! Von Amy Valens Ich lese die "October Daye"-Serie von Seanan McGuire sehr gern. Als ich erfahren habe, dass die Serie leider nicht auf Deutsch fortgesetzt wird, hab ich mir die Bnde 4 und 5 auf Englisch gekauft. Aber gut, zum eigentlichen Thema: In Tobys viertem Fall muss sie herausfinden, welche geheimnisvolle Krankheit die Undine Lily befallen hat, so dass diese ihr Leben nicht mehr beschützen kann. Außerdem muss sich Toby einer Feindin stellen, von der sie glaubte, sie wäre für immer verschwunden. Die Zeit läuft ihr davon; außerdem stellt sich heraus, dass sogar die Königin der Nebel irgendwie darin verwickelt zu sein scheint. Und Toby muss die eine Entscheidung erneut treffen, von der sie glaubte, sie hätte diese Entscheidung bereits für immer getroffen... Wer gute Englischkenntnisse hat, dürfte mit dem Lesen keine großen Probleme haben und der Geschichte gut folgen können. Auf jeden Fall werde ich weiter dran bleiben und kann die Bücher nur jedem empfehlen, der October Daye so lieb gewonnen hat wie ich. 0 von 0 Kunden fanden die folgende Rezension hilfreich. very nice written Von Customer I must say the writer of the book did a good job. the plot is good the characters are loveable (specialty tybalt ;0) it's worth the price

Kurzbeschreibung New York Times-bestselling October Daye series Hugo Award-winning author Seanan McGuire "Top of my urban-paranormal series list!" Felicia Day October "Toby" Daye, changeling knight in the service of Duke Sylvester Torquill, finds the delicate balance of her life shattered when she learns that an old friend is in dire trouble. Lily, Lady of the Tea Gardens, has been struck down by a mysterious, seemingly impossible illness, leaving her fiefdom undefended. Struggling to find a way to save Lily and her subjects, Toby must confront her own past as an enemy she thought was gone forever raises her head once more: Oleander de Merelands, one of the two people responsible for her fourteen-year exile. Time is growing short and the stakes are getting higher, for the Queen of the Mists has her own agenda. With everything on the line, Toby will have to take the ultimate risk to save herself and the people she loves most because if she can't find the missing pieces of the puzzle in time, Toby will be forced to make the one choice she never thought she'd have to face again... From the Paperback edition. Pressestimmen Praise for the October Daye series: "The top of my urban-paranormal series list! I am so invested in the worldbuilding and the characters.... The romance is real and awesome, but doesn't overshadow the adventure." Felicia Day "I can't believe McGuire can come up with another adventure as riveting as this one. But then I say that after every book in this series." SF Revu "McGuire has never lacked for courage in her writing.... The phenomenally inventive October Daye series showcases her narrative daring and ingenuity beautifully." RT "Prepare to be dazzled.... Like the best of urban fantasy, with each reveal and mystery solved, Toby's world grows ever more enticing. As seductive as faerie itself, this is one series I could never give up." All Things Urban Fantasy "These books are like watching half a season of your favorite television series all at once.... More than anything else, it's the fun of it all that's kept me returning to McGuire's books and to this series." SF Signal "The plot is strong, the characterization is terrific, the tragedies hurt... and McGuire's usual beautiful writing and dark humor are present and accounted for. This has become one of my favorite urban fantasy series." Fantasy Literature "An urban fantasy detective series featuring a resourceful female detective.... [October Daye] should appeal to fans of Jim Butcher's Dresden Files as well as the novels of Charlaine Harris, Patricia Briggs, and similar authors." Library Journal Werbetext It's darkest just before the dawn . . . The fourth in the October Daye series, a modern urban fantasy set in both the San Francisco Bay Area and the Faerie Kingdom of the Mists.
