The storyline is more or less correctly summarized in the book description. Both main characters are quite likable and there is the mandatory happy end. Looking forward to reading more by this author.1 von 1 Kunden fanden die folgende Rezension hilfreich. easy read, exciting and enjoyableVon Wurzer LeoThe story is great, if you like romance, like riding a bike and also like the

Netherlands: then it's a must-read. Henderson tells an easy to read story, full of joy and laughter and with a good sense for very special scenes. I enjoyed it very much. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lustiges Buch für zwischendurch. Von Kari "Laura's Big Break" ist eine romantische Komödie, wie sie sein sollte. Die Handlung wird flüssig erzählt, und man möchte gar nicht mehr aufhören zu lesen. Der Humor kommt auf keinen Fall zu kurz, und oft ertappt man sich selbst beim Lesen beim Lachen. Für alle, die sich über unbeschwertes Lesevergnügen freuen, ist dieses Buch auf jeden Fall zu empfehlen!

Kurzbeschreibung Laura needs to interview the hero of the moment to keep her new job with a women's magazine. She'd rather stick a fork in her eye. Twelve years have passed since her disastrous one night stand with Charlie and they've barely exchanged two civil words in that time. She calls him the Neanderthal and he calls her The Iron Maiden. If it wasn't for the fact his sister was Laura's best friend, she wouldn't have anything at all to do with him. Charlie has come back from a stint in Afghanistan with a souvenir - nightmares. After one afternoon arguing with Laura, Charlie makes a wonderful discovery: she's so irritating, she scares away his dreams. So Charlie agrees to give her an interview - at a price. She has to accompany him on a two week cycling holiday in Holland, that way he might actually get the rest he needs. He takes particular delight in the plan because he knows that Laura hates exercise, loathes the outdoors and despises him. It feels good to have the upper hand for a change. Laura needs an interview. Charlie needs sleep. And they both need to grow up and get over the past. But not before Laura cycles into a canal, sets fire to a tent and posts nude pictures of Charlie on the internet - all with the hope of getting her story. *Winner of the RWA Gulf Coast - Silken Sands Star Award*
