Von Jennifer Morey : Lawman's Perfect Surrender (Perfect, Wyoming) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawman's Perfect Surrender (Perfect, Wyoming):

Perfect, Wyoming #4 Author made a major mistake, too big for me to ignore.Von Detra FitchAfter three years of marriage to her abusive husband Jed, Gemma Johnson is now a free woman. Gemma has moved to Cold Plains to start over. The seminars by Samuel Grayson have been helping Gemma heal. Grayson is the most important and influential man in town. He seems to care about everyone in Cold Plains. So when Jed suddenly appears, beats her, and threatens her life, Gemma is relieved by Grayson's concern for her. Chief of Police Bo Fargo agrees with Grayson's suggestion that Police Deputy Ford McCall should stay with Gemma until Jed is located and arrested.Ford is a cop that plays by the rules. As a teenager, his entire family had been murdered, so doing what is right and fighting for justice means

everything to Ford. Protecting Gemma is certainly no hardship for him. Ford's only problem is his attraction to her. One touch and both of them seem to lose control. Desire takes over. As much as Ford wants Gemma, he is unable to fully trust her. Gemma believes Grayson can do no wrong. But when Jed turns up dead and Gemma's bracelet is found at the scene, she begins to pay closer attention to the rumors about Grayson's inner circle and how the people who caused Grayson any trouble ended up missing. *** THREE STARS! This is the fourth title (in a six book series) about the town of Cold Plains. My only big problem with this story is concerning Jed's death. Originally, Fargo called Ford and informed him that Jed had been shot and was dead. (Never again was being shot mentioned. No gun or rifle was ever mentioned either.) Yet when Ford arrived at the crime scene, Fargo said that someone had knocked Jed unconscious and then hanged him. After going back and reading the phone call again, just to make sure I was not mistaken about Jed being shot and not hanged, I had to put this book aside for a few hours. The story was simply no longer believable to me. This was no minor typo that I could easily overlook. However, Jennifer Morey is a talented writer. After a few hours away, I came back. I simply had to know what would happen next. Grayson and Fargo are getting desperate. The next is slowly closing around them. This also means that the situation is becoming even more dangerous. I can hardly wait to read the next installment. ***Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungThe heat between them is instantaneous. Irresistible. But police deputy Ford McCall has a job to do. And no self-respecting lawman would let a woman, even a sexy brunette like Gemma Johnson, distract him. He knows that evil has come to rural Cold Plains. And if he doesn't want the petite newcomer to be involved, he can't take that risk. Gemma Johnson never saw it coming. She fled from an abusive marriage and thought she'd gotten away. Now her violent ex has come after her, and by Ford's side, she's stumbled into an even larger plot. Everything screams for her to turn to the rugged lawman. But desire can lead to danger, and there's only so much her vulnerable heart can take. KurzbeschreibungThe heat between them is instantaneous. Irresistible.
