Herrlich anderer Schreibstil, an den man sich erst gewhnen ...Von readerHerrlich anderer Schreibstil, an den man sich erst gewhnen muss. Verschiedene POVs und lange innere Monologe, viel Witzeleien und Geplnkel zwischen den Freunden. Am Anfang ist wenig Romanze mehr Arbeit, dann Freundschaft, kurz Sex, dann Drama und Cliffhanger.Die Heldin hat eine starke Persnlichkeit und lsst sich durch nichts und niemanden unterkriegen,

erfrischend nach all den Alpha-Male CEOs, die die brigen Bcher bevklern. Der Held ist ziemlich schwach und wird von verschiedenen Personen an der Nase herum gefhrt und manipuliert. Die Nebencharaktere haben witzige Charakterzge, das macht den Charme des Buches aus. Im zweiten Band geht es hnlich chaotisch zu. Viel Spa beim Lesen.

Kurzbeschreibung Layers Book One of the Smexy, LOL Layers Series All four books, including a downloadable PDF novelette on author's website, Life's a Bitchwad, Jules' story, are available. No waiting for the HEA ending! Alexia Keith, self-proclaimed nerd, and potty-mouth is a beautiful, scotch drinking, complicated mess. In other words, she has issues, and the last thing she needs is her boss, Jaxson Ryan, CEO of Ryan Acquisitions, messing with her issues. She finds him "hard" and even harder to resist, but she must, hes off limits. One of New Yorks most eligible bachelors, Jaxson Ryan, is the poster boy for the tall, hot, conceited self-proclaimed manwhores. The only thing he wants is Ryans, Risk Manager, Alexia Keith. What happens, when a man with a bedpost-notching waiting list, a man who thought he had it all, wants the only woman he cant have? The Layer Series contains adult language, and adults doing adult stuff like hot sex and drinking scotch. Its written for those who still believe in Cinderella, love to LOL, and maybe shed a tear or two. sLayers sFor The Love Book Blog We embark on this journey of Jax Alexia's "off limits" relationship until it's not. And when they finally admit their feelings it turns into one STEAMY story! Be prepared ladies.. it's HOT! Some of the scenes are SO hot even I was blushing (and that is unusual for me!) * * * Brendas Book Beat Blog TL Alexander is new to me. I wasnt sure what to expect so I just jumped into this series with both feet. Let me just say. I love TL Alexander. Layers introduces us to Jaxson Ryan and Alexia Keith. Wow what an introduction it was. I liked the way the drama begins to unfold and moves along at a pace thats not exaggerated or forced. * * * Author Sandra Love Blog Layers Book One Wow, loved this book. This is the first book Ive read from this author and I am a fan for life. I loved the story and the characters. I thought it was really well written. I loved Alexia!!! She was a hardcore female character. She has a bad mouth that loves her scotch. I loved her boss Jaxson. He is the CEO. She comes back from vacation to get a shock. I dont want to give away the story. This book has your drama, and romance with a twist of suspense. Someone is framing Alexia. But are Alexia and Jaxson meant to be together? Or are they a disaster? Great story and the ending wow!! I am just glad I have book 2. * * * Kris and Vik Book Therapy Cafe of Layers Four Coffee Drinking Smut Beans And let us not forget about Jaxson ! He was a dream come true. Handsome, emotional, honest, and the mouth on him, honey! Pack ever damn pair of panties you have girls, cause he will damn near melt every last pair clean off! I just warn you beautiful babies though, book one ends in a bit of a cliff hanger, so make sure have book two ready and waiting, trust me you will need it! Jesus, that Mia is a God damn trip! I look forward to peeling away each and every juicy layer (see what I did there?) of this series, one amazing book at a time. * * * Crazy Four Books Blog If you like them complicated, suspenseful, and steamy, you should put these on your list or pick them up instead.
