Von Bianca @BJsBBLACEY SILKS - LAYERS DEEP - 5 Stars release date: 30 November 2013 167 pages Layers Trilogy #1 Layers Peeled Layers Off will be out in 2014 MY THOUGHTS About the story...Allie is working as a cop in New York City. She wanted to be a cop since she was 10 years old - when she

witnessed something horrible being done to her mother. And since that day, not only did she want to become a cop - she also planned her revenge. And now here's her chance. In the form of hot security guy Tristan Cross from Cross Enterprises. He's looking for an employee for his Security / Bodyguard / Undercover Detective Agency and Allie wants that job. Because she hopes that, once she wins Tristan's trust, he can help her with the revenge she so desperately needs to heal. Heal herself, but most importantly her mother. The second they see each other, Tristan and Allie are extremely attracted to each other. Allie wants to stay professional, because she really wants this job. But that's easier said than done of course. With Tristan being the hottest 'just-jumped-down-from-a-GQ-cover' guy she's ever laid eyes on!!! Tristan, being in the business he's in, knows everything there is to know about Allie. Especially how she supported herself during her police school days. That's the most important reason he wants her for the job. Because Tristan Cross is looking for a hooker And NO, Allie didn't work as a hooker!!! She was a stripper! But Tristan thinks that's the next best thing ;) "Is there anything you don't know about me?" "Your bra size," he said, shamelessly eyeing my cleavage. ... of course Tristan and Allie can't keep their hands off each other. They think that they could start something casual - at least until Allie signs on as an employee of Tristan's company. Both Allie and Tristan have scars from their pasts... both inside and on the outside. Familiar scars from the past painted his face the same way they had marked my heart. let's hope they can heal each other... _____ I REALLY ENJOYED THE BOOK I started reading thinking this will be just another erotic thingy. And it was erotic - lots of sexy scenes in it - BUT it was also a great suspenseful romance!! Ok, most of the suspense doesn't happen until the end of the book - but still - you know that it will come and we're just waiting for something bad to happen! And the waiting period isn't bad at all It's really cute and funny to see how Tristan and Allie deal with each other. Lots of sexy and funny and moving scenes. And then what happens at the end?? The suspense part! Oy! And then what happens after?? ONE WORD: CLIFFHANGER!!!! Yep - the book has a cliffhanger - it's not really a suspensy kind of cliffhanger - but it's horrible nonetheless - it's basically a mid-scene - mid-conversation CLIFFHANGER!!! GRRRRRRR WILL THERE BE A HAPPY END? well - CLIFFHANGER and there will be 2 more books in the trilogy - so I guess we'll have a bit of a waiting time until we'll get the final HEA I can really recommend this book to everybody who loves erotic suspense romances! You might even shed some tears - at least I did Can't wait for the rest of the series!!! hopefully soon Were there a few things I didn't like? Hm maybe the book was a bit too short?! Nothing else to complain about!!!! I really enjoyed it. GO GET IT! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Loved it Von Kat E L Loved it. Drawing on the reader's most sensitive emotions through realistic stories satisfies her more than... ..ok not really, but you get the point;) She likes a pinkish shade on a woman's cheeks, men with large feet and sexy lingerie-especially when it's torn off the body.
