Kurzbeschreibung New life binds them, Past ghosts haunt her, Fresh secrets distract him, ...and history repeats itself. Allie, a rookie cop hired and desired by a private investigator, is about to knock the wind out of Tristan with the biggest news of her life... right after she recovers from the announcement that he just fired her. Tristan, owner of Cross Enterprises, has a few surprises for Allie as well. And she won't see them coming. While the couple tries to deal with their predicament and growing romance, ghosts from Allie's past haunt her, slowly calculating the timing of their return. With new assignments distracting Tristan, fate has stacked deck against them. Can Allie and Tristan peel away their protective layers for long enough to see the danger brewing at their doorstep? If they don't work together, trusting and sharing information, it may be too late. NO CLIFFHANGER AND A HEA ENDING! Layers Peeled is Book 2 in the Layers Trilogy and should only be read after Book 1, Layers Deep. Contains adult content and graphic language suitable for mature audience.

ber den Autor und weitere Mitwirkende Lacey is an Author of Erotic Romance. Her stories come from her life, dreams and fantasies. She's a happily married wife with two kids. Lacey likes to make her readers blush and experience the story as if they were the characters. Drawing on the reader's most sensitive emotions through realistic stories satisfies her more than... ..ok not really, but you get the point;) She likes a pinkish shade on a woman's cheeks, men with large feet and sexy lingerie-especially when it's torn off the body. Her favorite piece of clothing is a birthday suit.
