Familienfehde, Geister, Liebe - was will man mehr? Von Ein Kunde Im BB der Geschwister St. Clair steigt der bekannte Schriftsteller Scott Lawrence ab, der hofft, in der Atmosphäre von Geistern, versunkenen Schätzen und Piraten zu seinem neuen Buch inspiriert zu werden. Allison, vernünftig und verantwortungsvoll, sucht hingegen einen Mann, der wie sie kein Interesse an einer festen Beziehung hat. Voila! Alli und Scott müssen aber bald feststellen, dass sich Gefühle nicht beherrschen lassen. Beide haben sich vieles verschwiegen, und die Wahrheit kann schmerzen. Eine sehr charmante Story, und die Charaktere und der Plot entfalten sich wunderbar! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein sehr witziges Buch Von Bcher Allison befreit sich von Ihren Engsten durch Scott und umgekehrt. Sie bringen ihre Familien damit ein wenig durcheinander - die man zB in Dont Tempt me kennen lernen kann - sowie das Hotel. Der Plot wurde ja schon beschrieben..... Die Sprache die Ortolon verwendet ist simpel und beraus komisch, dennoch bleibt er nicht platt, die Charaktere haben Tiefen. Die Handlung ist nicht schnell herausgearbeitet - trotzdem: Bei diesem Buch lacht man herzlich. Ich kann ihre Bücher nur empfehlen.....

Kurzbeschreibung A fun, fast-paced, and fiery romance. Road to Romance... heartwarming and at times heart rending... Publishers Weekly ~~~ When a woman who is willing meets a man who isn't listening, it's time for action! Allison St. Claire has the face of an angel. That's part of the problem. She also sells quaint tea sets in the gift shop at Galveston's Pearl Island Inn. It doesn't exactly scream sexy! Years of having men treat her like a little sister is enough to drive a healthy woman crazy. Especially when a gorgeous hunk checks in and fails to recognize that Allison's more than willing. She's ready! Frustrated author Scott Lawrence is hoping to get lucky in more ways than one when he checks into the Pearl Island Inn. A little fun in the sun with a beautiful woman may be just the inspiration he needs to cure his writer's block. No fuss. No commitment. But a good girl like Allison St. Claire? No way! When Allison makes her move, every bachelor bone in Scott's body tells him to swim for safety. But stronger instincts prevail, and the heat climbs higher than the temperature on the Texas Coast. Now a four-letter word called love could turn a sweet spring diversion into the most unexpected and complicated fling of their lives. Pressestimmen "Julie Ortolon has perfected the art of the male/female relationship." - Virginia Henley "An author on the rise... endearing, emotional, and romantic!" -- "Romantic Times" Kurzbeschreibung A fun, fast-paced, and fiery romance.
