KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Entspannt Deutsch lernenVon Meiqi GaoSo entspannt kann man auch Deutsch lernen. Ich finde das Buch ist gut.

Nicht so langweilig wie andere richtige Deutsch-Lehrstoff. 1 von 1 Kunden fanden die folgende Rezension hilfreich.
positive
Von Customer
I always consider reading books in the language you are learning, is one of the most useful things in order to improve your skills. I purchased this book, thinking that I can manage it, but it was a bit difficult for me (I am in an A2-course right now). The good thing about this book is that at the end of the each story there are explanations for each word. The explanation is not in English, but in German, which is a quite good way to memorize the words. I found many useful and very used phrases in this book. Each story is really full filled with most frequently used phrases and words. Overall, I do not regret I bought this book because it gives me a motivation and an idea what I can do in two months.

Von Kunde
I studied German literature and I teach German for beginners. I can recommend that witty and skillful reader for everyone who wants to improve his language skills with stories which are helpful to advance in ordinary life language. really good stories to pick up phrases, you get a lot for your money, especially with the audio.

Kurzbeschreibung
About the book "Learn German with a story. Krimi in Berlin"
Conservative French
Hercule Poirot (no, he has nothing to do with the Hercule Poirot) comes to Berlin, only to discover that he became victim of a fraud: He paid the deposit for his flat, but the owner never showed up. He finally becomes a subtenant of Merkel, ultra-left hacker, vegan, constantly broke - let's not speak of her half shaved skull, her tattoos and her tendency to use swear words. Hercule and she are the total opposite - maybe that's why they start working together really well. What they discover is so much more serious than the deposit fraud.
Learn German as a foreign language simply by reading their story. This concept of foreign language study is also known as "Easy German Reading". With this book, there is one speciality: You'll learn a lot of important slang words, phrases and proverbs - exactly what you need to make your German more fluent and more native at the level of B1-B2. The story doesn't only focus on German vocabulary for Crime and detective stories, but mainly on everyday life, including the expression of positive and negative feelings. Therefore, the story has a lot of spoken language - the best way to improve your German language. How does this book help to learn German? Studying a foreign language should be fun. Often, the study of German as a foreign language is considered to be hard and tedious. With this book, its nice crazy characters, the funny dialogues and every-day, "real" situations, learning German becomes more natural. Over 1 hour of Audio material is included as a free download. So, you can learn German while listening to the crime story in the car etc...
What readers said about the crime story
It really made me laugh. If you know Berlin a bit, this book is a must. (Mary A., age 29, British)
It was a really good way to learn German vocabulary, especially because I could listen to the story! (Andrew S., age 40, Australian)
Finally a story to learn German that uses spoken language as my friends/colleagues at work do. (Antonio T., age 36, Italian)
