Von N.R. Walker : Learning to Feel (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Learning to Feel (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. Hat den Verriss nicht verdient Von Peabody Nein, ein Meisterwerk ist dieses Buch nicht. Und bei manchen strengen Einzelheiten mag der Rezensent, der nur einen Punkt vergeben hat Recht haben. Dafür nur einen Stern zu vergeben finde ich aber etwas hart. Ich denke, es ist eine Frage der Erwartungshaltung. Dieses Buch ist eine nette, vielleicht etwas oberflächliche gay Romance. Als etwas anderes hatte ich die Zusammenfassung nicht verstanden, darum war ich

auch nicht enttäuscht. Die Charaktere sind liebevoll beschrieben, ihre persönliche Entwicklung geht glaubhafte Schritte durch, und es gibt ein richtiges Happy End. Was will man mehr bei einem gratis-Buch erwarten? 0 von 0 Kunden fanden die folgende Rezension hilfreich. Clichee story. Von IvanIts a fun read, almost always knowing what will happen next. But it was easy to read and i enjoyed it very much. Couldnt get over the fact a 'doctor' using a lot of profain words, usually intellectuals dont swear too much, but thats just my opinion. Other than that it turned out to be a pretty romantic book, with a dash of '50 shades of gays'. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolute Leseempfehlung! Von SonjaEinfhlsam erzhlte Geschichte und das als Geschenk an uns Leser. Wie immer konnte ich auch dieses Buch von N.R. Walker nicht aus der Hand legen. Die Protas sind glaubwrdig und man kann sich die einzelnen Szenen sehr gut vorstellen ohne dass es langatmig wird.

Kurzbeschreibung Resigned to living a sexless, loveless life, Doctor Nathan Tierney knows something is missing. In a rash decision, he leaves his life-consuming job at Mass General Hospital, Boston, to be the small-town doctor in Belfast, Maine. With the job comes a house, and with the house comes a handyman-painter. Trent Jamieson, a nomadic artist, and his dog Bentley, are offered free accommodation for the few weeks he fixes up the hospital-owned house. Nathan is transfixed by this free-spirited, undeniably gorgeous man. Confused but amazed to feel any kind of attraction - much less to a man - Nathan convinces himself to put aside any preconceived ideas, and allows himself to just feel. As their attraction for each other grows, one man learns to live, the other learns to love. But just who is teaching who? ** Second Edition. First Edition released in 2012. No additional content has been added. This book has not been professionally edited ** Kurzbeschreibung Resigned to living a sexless, loveless life, Doctor Nathan Tierney knows something is missing. She loves writing and spends far too much time doing it, but wouldn't have it any other way. She is many things; a mother, a wife, a sister, a writer. She has pretty, pretty boys who live in her head, who don't let her sleep at night unless she gives them life with words. She likes it when they do dirty, dirty things...but likes it even more when they fall in love. She used to think having people in her head talking to her was weird, until one day she happened across other writers who told her it was normal. She's been writing ever since...
