Von A.B. Gayle : Leather+Lace (Opposites Attract Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Leather+Lace (Opposites Attract Book 2) (English Edition):

KurzbeschreibungAn Opposites Attract novel Swathed in chiffon and lace, Steven Stanhope owns the stage as Stevie Tricks, lip-synching the songs of the famous gypsy queen. But after he escapes an abusive Master/slave relationship, the only collar he'll allow around his neck is black velvet. After a four-year absence, Steve is ready to reclaim his life and the property he left behind. But is it safe? Definitely not if his ex is still into leather. To find out, Steve appears at a charity night for the local BDSM community, using the anonymity of his stage persona to mask his identity. Instead of his ex-Master, Julius, Steve finds a tangled mess centered around another Master of Leather, Donato Rossi. In order to unravel their ties to the past, Steve and Don must find common ground and work together. In the process, they learn that when it comes to love, sometimes you have to make your own rules.
