would talk to me like that! Realistically, when I feel the need I guess I'll have to read Legacy again. First, though, I'm waiting impatiently to get my hands on the sequel Never Ending. But to say only that Legacy of Love and the main character is sexy doesn't do the author justice. Marianne Martin is a fine writer and this book I hesitate to call merely a romance. Martin moves her readers quickly through a gamut of emotions with bright dialogue and just the right amount of tension. She has a writing style that keeps you reading hungrily and characters you won't forget. I am about to devour her other two books, Love in the Balance and Dawn of the Dance, while I'm waiting. Marianne Martin is now at the top of my 'must read' list. 0 von 0 Kunden fanden die folgende Rezension hilfreich. AT LAST Von Ein Kunde Yes, finally! A main character that's all of that—successful, lesbian, and Native American! And not only that. She is developed in a wonderfully well-written tale of love. As a Native American I have suffered for years without a heroine I can claim. Martin has written me a treasure. 0 von 0 Kunden fanden die folgende Rezension hilfreich. TEN STARS * * * * * Von Ein Kunde Marianne Martin is a bodacious author! Sage Bristo is so enticing, alluring, HOT, HOT, HOT! - on paper no less! LEGACY left me breathless for more. Luckily I had NEVER ENDING readily available. YES! , I believe in love! And always will!

Kurzbeschreibung "Legacy of Love delves nicely into the tension between desire and connection, highlighting trust as the essence of intimacy." --The Lesbian of Books "This is undoubtedly one of the finest. . . . The sparring between Bristo and Deanne alone makes it worth reading." --Our Own Community Press Sage Bristo moved with confidence and determination. It drew people to her. Especially women. Sage enjoyed their attention but none could see beyond her toned body and cool demeanor to the small-town girl underneath. Then she met Deanne Demore and for the first time Sage feared the power of another woman. Marianne K. Martin is the author of nine lesbian romances and has been a finalist for a Lambda Literary Award three times.
