Von Amanda Brown : Legally Blonde (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Legally Blonde (English Edition):

A bit disappointing...Von Lazy LiteratureIf you saw the movie and AFTER that bought the book, you will be disappointed as was the case with me. The story is very different from the movie and I have to say that I laughed harder at the

movie then with the book. I give it four stars nevertheless because if you didn't know the movie and bought the book you could have great fun. For those who buy it now a little advice: Forget the movie and read it as a different story. Many beloved characters such as Emmet, the teacher from the beginning who kicked Elle out of the class, the nice woman with the postman whom she fell in love with... all of them never appear. I was a bit disappointed and liked the movie better. Get the Elle-Woods-Feeling from DVD or video! That's the real thing! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein sehr witziges Buch Von Ein Kunde Ich hab dieses Buch mit Freude und Spannung gelesen, es ist sehr spannend geschrieben und man kann sich sehr gut in Elle hineinversetzen. Sie hat einen so starken Charakter, der im Film aber noch besser zur Geltung kommt. Das Buch kann ich guten Gewissens empfehlen und ich werde es sicherlich noch einmal lesen. Für ernsthafte Leser allerdings ist es nicht zu empfehlen, da die Story sehr einfach geschrieben ist.

Kurzbeschreibung Before it was a blockbuster movie and a Broadway musical, LEGALLY BLONDE soared as a fresh, funny romance, with the unforgettable Elle Woods proving blondes will run the world. Elle Woods, California University senior, seems to have it all. President of Delta Gamma sorority, a star in the classroom (her major: sociopolitical jewelry design) and is on the verge of becoming the much-envied Mrs. Warner Huntington III. Too bad Warner, bound for Stanford Law, dumps her with the explanation that he now needs a more "serious" woman at his side. Faced with this unexpected reversal of fortune, Woods doesn't get depressed, she gets busy. Thanks to a creative application and a demand for "diversity" at Stanford Law, Elle gets her acceptance letter. Soon she's packing up her convertible as well as her miniature Chihuahua determined to win back her man, and to prove to herself that dreaming big is the only way to dream. Smart, fast, and funny. LEGALLY BLONDE proves just how much fun blondes really can have.

Werbetext* This has been made into a hugely successful film starring Reese Witherspoon, the follow-up to which, RED, WHITE AND BLONDE was released in 2003. It's now being made into a Broadway show.
