Diesen Mann wrde ich auch heiraten :)Von StefanieInhalt:Als ihr Boss Max Dylan aufgrund einer auslaufenden Arbeitsgenehmigung zurck in die USA ausgewiesen werden soll, steht Mia Lombard vor der Frage ob sie ihn heiraten

soll, um ihren eigenen Job, die ihrer Mitarbeiter und ihr Haus behalten zu können. Auf den ersten Blick scheint das kein Problem zu sein, denn Mia ist seit Jahren in den gutaussehenden Max verknallt, allerdings müssten sie für mindestens drei Jahre verheiratet bleiben und das würde Mias Plan eine eigene Familie zu gründen hinauszögern. Doch auf einmal scheint Max sie auch zu begehren. Stellt sich die Frage ob Mia die Zeit, die sie mit Max hat genießen kann, auch wenn sie nur begrenzt ist...Meinung:Ciara O'Neill ist mit "Legally Wed" ein sehr schnes Debt ber die Liebe und die seltsamen Wege, die diese manchmal geht gelungen. Das Buch ist witzig, emotional, chaotisch und hat einen absoluten Suchtfaktor, sodass ich es nicht mehr weglegen konnte, was mitunter auch an dem sehr flüssigen Schreibstil der Autorin liegen dürfte.Die beiden Hauptcharaktere in diesem eBook sind absolut liebenswert, vor allem Max hat mein Herz im Sturm erobert ;) Er ist einer von diesen Männern, den jede Frau gerne zu Hause hätte. Aber auch seine Eltern sowie Mias leicht durchgedrehte Familie, die übrigens italienischer Herkunft ist, sind alle sehr sympathisch.Fazit:Eine sehr se Geschichte für zwischendurch und absolut empfehlenswert.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungBusiness professional Mia Lombard is faced with the ultimate choice: marry her boss to save his employees jobs or risk losing her own job and much loved home. Max Dylan isn't exactly Frankenstein and when he discovers his UK work permit has expired, the wealthy American financier could call on any number of models or starlets to marry him so he can stay in the country. Knowing that a marriage to a greedy social climber could bleed him dry, he agrees to his colleagues suggestion to get married for appearances only. Mia and Max invent a convincing cover story for their supposed secret romance and sudden marriage. Initially, Mia has no difficulty with the pretence as she's had a crush on Max for years but after discovering they have to stay hitched for three years, she wonders if she can commit that much of her life. It would mean shelving any chance of meeting someone else and postponing her plans to have a family.Then the unexpected happens. Max, who's always kept his work relationships professional, seems to fancy her.Can Mia commit to three years, living with Max on a 'friends-only' basis? Or is she brave enough to jump in and enjoy a no strings sizzling fling with while she can?KurzbeschreibungBusiness professional Mia Lombard is faced with the ultimate choice: marry her boss to save his employees jobs or risk losing her own job and much loved home.
