Von N.M. Silber : Legally Wed: The Lawyers in Love Series (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Legally Wed: The Lawyers in Love Series (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Short but sweetVon LittleDarlingHaving fallen in love with Adam and Lily in the previous books and especially in their own book "Legal Briefs", I was excited for this novella.Just like the rest of the series, it is sassy, sexy, sweet and steamy, despite being shorter than the other books.After years of feuding and finally finding each other, Adam's and Lily's

relationship comes full circle in "Legally Wed" as they prepare their wedding. Wedding preparations are crazy at best, but with those two being the bride and groom and with their group of friends as well as their families, the preparations become pure insanity that will have you in stitches, making you laugh so hard you'll cry. Lily suffers from pre-wedding anxiety and can only calm her nerves by bringing out her inner hussy, therefore being completely sex-crazed. Adam tries to keep his future wife from losing all his marbles, which leads to a death-like exhaustion. Add to that two crazy mothers that help plan the wedding with the help of a diva of a wedding-planner and you have the recipe for pure mayhem and lots of laughs. And if that wouldn't be enough to get you laughing, add a dog hijacking a vibrator and you'll end up with a tummy ache from all the giggles. This is the most hilarious wedding in book history. 5+ short but sweet stars.

Kurzbeschreibung How about a Quickie? "Although its a novella, Legally Wed has the same wonderful blend of sweet and sassy, sexy and serious, that Ive come to love and expect from all of NM Silbers books." Cindy Meyer, The Book Enthusiast Best Selling author, N.M. Silber, follows up her outrageously funny hit Romantic Comedy, Legal Briefs, with the steamy, laugh-out-loud tale of how former childhood enemies finally enter into wedded bliss. Adam Roth and Lily Adler have survived nutty neighbors, cow pajamas, mobsters and "the diaper incident." They have learned to live, love, and work together in harmony. Most of the time. Now, with the promise of marital bliss on the horizon, they will need to tackle even bigger challenges, like Lily's anxiety-fueled libido, Adam's increasing exhaustion, two Jewish mothers and an eccentric wedding planner named Mr. Jonathan. Will everyone make it to the wedding alive? Find out in Legally Wed.
