Von Brandon Sanderson : Legion and The Emperor's Soul (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Legion and The Emperor's Soul (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. uerst lesenswert!Von bookspiritZwei vllig unterschiedliche Geschichten, von denen die Erste "Legion" auch gut im kriminalistischen Genre durchginge. Eine spannende Idee, die Hauptfigur "ermittlerisch" auf die unterschiedlichen Fhigkeiten seiner diversen, sehr individuellen Persnlichkeiten seiner Halluzinationen zurckgreifen zu lassen. Diese

Halluzinationen wachsen einem direkt ans Herz. Macht eindeutig Lust auf mehr. Die Zweite Geschichte "The Emperor's Soul" spielt zwar in Sandersons "Elantris"-Welt, es gibt aber keine Notwendigkeit das Buch zuvor gelesen zu haben. Diese kleine Geschichte hat nicht umsonst den Hugo-Award gewonnen! Sie ist das Meisterwerk in dieser Zusammenstellung. Allein die Idee eine Flscherin knne mittels ihrer magischen Fhigkeiten die Seele eines Menschen "reproduzieren"! Die Hauptfigur wird sehr detailliert und stimmig in ihrer Zwangslage und Motivation auf- und ausgebaut. Eine sehr ruhige und trotzdem extrem spannende Geschichte. Perfekte Fantasy! 0 von 0 Kunden fanden die folgende Rezension hilfreich. As always very original Von etmmazuTwo short stories. I very much liked Legion, about a "multi-person person". Emporer's soul is a slightly lesser captivating story, but still worthwhile. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Gemeiner Cliffhanger.... Von Teigspachtel Legion ist eine wirklich tolle Geschichte, die einen total mitreisst. Leider handelt es sich um ein Fragment, dass gerade dann aufhrt, wenn es so richtig spannend wrde. War dadurch so frustriert, dass ich Emperor's Soul noch gar nicht gelesen hab.

Kurzbeschreibung The internationally bestselling author of the Mistborn and Stormlight Archive series presents two very different novellas that nevertheless showcase his remarkable gift for gripping narrative, world-building and empathetic characters. Available for the first time in one volume, a publishing event for all his many fans. LEGION Stephen Leeds, AKA 'Legion', is a man whose unique mental condition allows him to generate a multitude of personae: hallucinatory entities with a wide variety of personal characteristics and a vast array of highly specialised skills. As the story begins, Leeds and his 'aspects' are drawn into the search for the missing Balubal Razon, inventor of a camera whose astonishing properties could alter our understanding of human history and change the very structure of society. THE EMPEROR'S SOUL When Shai is caught replacing the Moon Scepter with her nearly flawless forgery, she must bargain for her life. An assassin has left the Emperor Ashrahan without consciousness, a circumstance concealed only by the death of his wife. If the emperor does not emerge after his 100-day mourning period, the rule of the Heritage Faction will be forfeit and the empire will fall into chaos. Shai is given an impossible task: to create - to Forge - a new soul for the emperor in less than 100 days. But her soul-Forgery is considered an abomination by her captors. She is confined to a tiny, dirty chamber, guarded by a man who hates her, spied upon by politicians, and trapped behind a door sealed in her own blood. Shai's only possible ally is the emperor's most loyal councillor, Gaotona, who struggles to understand her true talent. Time is running out for Shai. Forging, while deducing the motivations of her captors, she needs a perfect plan to escape... Werbetext Two standalone novellas from the bestselling fantasy author and heir to Robert Jordan.
