KurzbeschreibungComplete Series Box Set Available for 50% off!Tessas life is perfect. She has everything a woman could want, a good job, a family that supports her, and a boyfriend, that only ever tries to make her happy. But somehow, even when she has all these things, she feels like her life is empty. When she lies to Raymond to escape her cut-and-paste life, she meets Beth, a whirlwind of a woman that takes her breath away. Too much alcohol, too little inhibition, and it ends in a night that confuses Tessa and leaves her perfect life a little skewed.She tries harder to make things work with Raymond, partly out of guilt because of what shes done, and partly because she struggles to change the fact that shes so unhappy when everything in her life tells her not to be. When she runs into Beth again, and says yes instead of no, her life turns upside down. She doesnt know who she is, what she wants, who she loves anymore. When she loses Raymond, it hurts more than she expected, but why is that a problem when she still has Beth? With so many questions she barrels forward, hoping that somewhere, some of her actions will offer answers.Authors Note:This story contains strong language and sexually explicit content appropriate only for mature audiences 18 years or older. This book is a part of a lesbian fantasy romance novel series, NOT erotica. The story includes lesbian and straight sex scenes. If this sort of content bothers you, read no further. If you are intrigued take a look inside to see more!KurzbeschreibungComplete Series Box Set Available for 50% off!Tessas life is perfect. Each of her stories comes from years of standing at the front of the classroom wondering when her bad boy was going to show up. After falling in love with her Mr. Big she spends her days in the garden or writing out on her porch...and her nights in the arms of her own real life bad boy.
