Von Jenna Petersen : Lessons From a Courtesan before purchasing it in order to gage whether or not it would be worth my time, and all praised Lessons From a Courtesan:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. A mystery and a masqueradeVon Helen HancoxI read this book just a few days after 'The Club' by Sharon Page and

found a surprising number of similar plot events in the two books. Both involve the heroine trying to find the whereabouts of a friend and, in order to do this, becoming involved in a masquerade which involves her behaving in ways not expected for someone like her. In 'Lessons from a Courtesan', as might be deduced, our heroine Victoria has arrived in London pretending to be the courtesan 'Ria'. Unfortunately for Victoria, her husband - a man whom she spent just one night with before he left her and went abroad - has returned and has singled out Ria. She's surprised to find that the Earl of Baybary is willing to help her in her hunt for her friend, but can she spend all this time with him and not pine for a future it seems they will never have. There was much to like about this book, although it wasn't particularly original in execution. I liked both Victoria and Justin and found their relationship reasonably convincing. I was less sure about the history that brought them together, finding it not entirely convincing or believable. Historical accuracy was less important than plot and characterisation but overall it was a reasonably enjoyable read. Originally published for Curled Up With A Good Book Helen Hancox 2009

Kurzbeschreibung Lesson #1: Every man loves a mystery. A scandalous siren called "Ria" has electrified the ton. Every gentleman in London desires her; every woman envies her. And they are all desperate to know the secrets of the tantalizing, seductively beautiful courtesan. All except Justin, the Earl of Baybary. He knows all about Ria. He learned every inch of her tender skin, every taste of her luscious lips . . . on their wedding night. Lesson #2: No man can make you lose control . . . unless you let him. Though theirs was an arranged marriage, still Victoria surrendered to passion and gave herself to Justin completely. When he left her alone the next morning, she swore she would never again let him into her bed. Now, though she has other reasons for returning to the city, she enjoys tormenting Justin, letting him see the way other men lust for her. But keeping herself from him is such exquisite torture . . . and forgiveness will lead to an ecstasy unbelievably divine. Kurzbeschreibung Lesson #1: Every man loves a mystery. Synopsis Blackmailed into a marriage five years ago, and forced by their overbearing families to consummate that union so it could never be legally questioned, Victoria and Justin Talbot have been more than happy to live apart ever since, although neither one has quite forgotten the one night they shared. But now Victoria has been forced to come to London in the disguise of London's most talented and sought after courtesan. Invading Justin's world, she is on a desperate search to find a missing friend and stay clear of her very angry, suddenly possessive husband. Only this time, one taste is not going to be enough for Justin. He is determined not only to uncover Victoria's secrets, but to claim her, body and soul.
