Duke of Roxborough, knows he will marry eventually. He simply has yet to meet the lady who can fill all the qualification he demands in a wife. He and his closest friends often discuss these highly set standards. In the meantime, Jonathon writes stories and tries to get published under an anonymous name. (He refuses to be published simply because of his status.) At each Christmas Ball his family hosts, Jonathon selects a lady to share the evening with in bed. This year, the lady he chooses is not waiting for him in his rooms. Instead, he finds an unknown lady awaiting him. She claims to be related to one of his close friends, Lord Norcroft "Oliver". She gives him an outrageous story about her father's will and having to marry in order to save her three sisters from poverty. Jonathon believes it all a hoax, set up by his friends. So when she proposes marriage, he accepts. Shortly afterward he finds out Fiona Fairchild told nothing but the absolute truth! Jonathon does not want to marry yet, but he cannot simply retract his word of honor. After all, she IS related to Oliver and is actually living with him at the moment. Oliver, Fiona, and Jonathon decide to enter into a business proposition. Her nude art work and his story, published anonymously. IF the erotic and mythical story sells well, Fiona will not have to wed at all and Jonathon is off the hook. However, unknown to Fiona, Jonathon has no intention of having it published. He will simply claim it is selling well and give her "royalties". Now if only he can keep his hands off her enticing body while they work together.***** Extremely well done! Fiona is no meek miss! I was totally taken with her character. Jonathon is nothing to sneeze at either. Noble until the end. A little too much so though. All-in-all, Victoria Alexander has an instant winner in this novel. Bring on the next man! *****Reviewed by Detra Fitch of Huntress Reviews.0 von 0 Kunden fanden die folgende Rezension hilfreich. Schnur viktorianischer Liebesroman, der Lust auf mehr macht Von LoveLetter Magazin Jonathon Effington, Marquess of Helmsley, ist extrem überrascht, als sich zu seinem traditionellen Weihnachtsrendezvous nicht die erwartete Dame einstellt, sondern eine bildschöne junge Frau, die ihm die Ehe anträgt. Da er das alles für einen famosen Streich seiner besten Freunde hält, willigt er ohne zu zögern ein. Doch Fiona Fairchild meint es nur allzu ernst. Ihr Vater hat testamentarisch verfügt, dass sie ihr Erbe erst nach einer Eheschließung antreten kann und hat auch gleich eine passende Ehe für sie mit dem Sohn eines amerikanischen Geschäftsfreundes arrangiert. In wilder Panik versucht sich Helmsley auf möglichst ehrenhafte Art und Weise dem Eheversprechen zu entziehen. Doch je näher er Fiona kennenlernt, desto weniger wichtig erscheint es ihm plötzlich, an seinem alten Grundsatz der Ehelosigkeit festzuhalten ... Victoria Alexanders neuer viktorianischer Liebesroman erweist sich als eine äußerst vergnügliche Komödie der Irrungen und Wirrungen. Fiona ist mit ihrer Offenheit und ihrem Realitätssinn eine besonders sympathische Heldin, und Jonathon ist nicht nur sehr charmant, sondern auch wohlthuend unzynisch. Besonders die Wortduelle der beiden sind eine wahre Freude und werden den Leserinnen so manches Grinsen entlocken. Eine Heldin mit bermtigen jüngeren Halbschwestern, ein Held mit einer Handvoll (noch) heiratsunwilliger Freunde man kann sich denken, dass das nur in einer Serie enden kann. Doch wenn dieses Buch als Maststab für die folgenden Bände dient, darf man sich in den kommenden Jahren getrost auf viele schöne und erheitende Lesestunden mit Victoria Alexander einstellen.
