KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. touchingVon -Kundeit was my first book by this author, and I can only say... wow, incredibly touching. Had me

yearning and crying and cheering for both H/h. The H is maybe the most believable and likable character ever, and the entire story has a sincere depth. Maybe you need to have some connection to (classical) music to fully appreciate the story ( I do a bit), but if you have, it is so much more than a simple love story. It's a true romance, and more... the way it is described how the h accomplishes this music, it's believable (it's work!) and poetic both and fits so seamlessly into the romance. Great, my compliments to the author!
