KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Leider ohne SpannungVon BcherliebeDer erste Teil mit Mason und Kat hatte mir ja super gefallen. Aber durch Benny's Story habe ich mich wirklich durchgequilt.Es geht hauptsächlich um Sophie, die die frhere Freundin von Benny's Bruder war, bevor dieser erschossen wurde. Sie waren schon als Kinder befreundet, aber es kam wegen dem Tod zum Bruch und sie hat Benny fr alles beschuldigt. Es wird wirklich das ganze Buch ber die alte Schuld lamentiert, die Benny

angeblich hat. Es wird gejamert, gewünselt, geheult ... eine richtige Handlung gibt es eigentlich gar nicht. Für mich hat das Buch leider nicht funktioniert.

Kurzbeschreibung A street thug with a heart. That was Benny Negrete. To the outside world, he looked like bad news, but anyone who knew him knew he was intelligent, honest, and most importantly, caring. He looked out for the people he loved. But it hasn't always been that way. Sophie Basi, a successful doctor with a promising career, has tried hard to put the past behind her. It even worked for a while, but she never expected to run into Benny again. He's the one person who can summon the past and unravel her perfectly crafted life. When avoidance doesn't work, the two are forced to relive their recollections of a past they are both desperate to forget. Can they let it go? Or are they forever going to live in their memories, with the future just out of reach?
