Hope Falls Bd. 8Von Melanie LudesDieses Buch habe ich in dem Wissen gekauft, dass es bereits der 8. Bd. der Hope Falls Reihe von Melanie Shawn ist und was soll ich sagen? Es kann getrost unabhngig von den anderen Bchern gelesen werden.Der Schreibstil ist sehr angenehm und flssig zu lesen. Die Handlung, wenn auch vorhersehbar, sehr schn zu

lesen und man kann es einfach nicht aus der Hand legen, denn man will einfach wissen ob es ein HEA geben wird oder nicht. Fr Zwischendurch und zur Winterzeit die perfekte Lektüre um unbeschwerte Lesestunden zu verbringen.

Kurzbeschreibung Thirteen years ago his world fell apart after his soul mate left him in the middle of an unforeseen tragedy that would bind them together forever. Ever since, sexy Fireman Jake Maguire busied himself by putting out fires in buildings and starting them in women, all in an attempt to extinguish the fire she set off in him all those years ago. Thirteen years ago she made the hardest decision of her life. For every tear, every heartache, Tessa Hayes reminded herself that she made that sacrifice out of love. Sweet, caring Tessa always put the interests of others before her own, no matter what the cost. She sacrificed her heart for his life. He lived without living. Now they had the chance to mend their broken hearts together...but would Tessa and Jake have the courage to do it? **Author's Note: Each Hope Falls full-length novel can be read as a stand-alone**
