Gefhrliche RacheVon BcherliebeDer Plot und Handlungsverlauf waren mal etwas anderes als das bliche Liebesgeplnkel. Ein angesehenener Doktor wird fischlicherweise der Vergewaltigung angeklagt und verurteilt. Er sitzt 5 Jahre im Gefngnis und ersinnt dort seinen Racheplan. Diejenige, die sein Leben so verpfuscht hat, soll nun dafr leiden. Darum entfhrt er sie in sein Haus und benutzt sie als Putzfrau und Kchin. Von seinem Naturell her ist er aber nicht zu

krplicher Gewalt fhig. Zufllig ist sie auch noch ausgebildete Sozialarbeiterin und erkennt, dass ihm geholfen werden mu...Solange es mit der Handlung voran ging, war die Spannung auch gegeben. Gegen Ende hin wird viel sinniert und philosophiert, was die ganze Story eigentlich unntig verkompliziert und hinausgezert hat. Darum schwanke ich zwischen 4 und 5 Sternen.

KurzbeschreibungRape. One word changed his life. Mason Tredwell had it all. He was a good looking, well-respected doctor. He had money, power, and friends. He never worried about finding a woman to warm his bed. But that all changed when he was wrongfully accused of rape. And now, after five years in prison and the loss of everything he cared about, he wanted revenge. Abandoned as a baby and bounced around different foster homes, Kat Gingham never really had a charmed life. But now, things were really falling apart. She had no money, no job, and even her lying, cheating boyfriend was gone too. She allowed herself one night to cry about her situation before she picked herself back up. But when she woke up, she was no longer at home, and she was no longer alone. She was facing Mason, a guy who claimed she ruined his life. And hes hell-bent on breaking her down, humiliating her, making her feel like he has all these years. She claimed she had no clue what he was talking about, but he didn't believe her. The facts dont lie. Was Kat lying? Could she convince Mason to let her go? Or was fate playing a role in why they were thrown into this together? KurzbeschreibungRape. One word changed his life.
