Von -Kunde I've never heard of the author before and just bought the book by its description. I was more than positively surprised - A great plot, congenial characters, exciting and fast changing - and super funny! I bought the other books of this series as well, and liked them just as much.

Kurzbeschreibung From NY Times and USA Today bestselling author, Jana DeLeon, the second book in the Miss Fortune mystery series. No one in Sinful liked Pansy Arceneaux, but who hated her enough to kill her? When aspiring actress Pansy Arceneaux returns to Sinful, Louisiana to head up the beauty pageant portion of the Summer Festival, CIA assassin Fortune Redding knows she's in for trouble. Her undercover identity as a former beauty queen makes Fortune the perfect choice to chair the event with Pansy, but Pansy's abrasive personality makes it impossible to get through a single rehearsal without a fight. When Pansy turns up dead, Fortune is the prime suspect. Armed with only her wits and two conniving seniors referred to locally as The Geritol Mafia, Fortune launches an investigation to find the real killer before her cover is blown. Praise for Jana DeLeon: Southern wit at its best! NY Times bestselling author Gemma Halliday Sinfully funny! NY Times bestselling author Christie Craig DeLeon is excellent at weaving comedy, suspense and spicy romance into one compelling story. RT Book s I don't know where she comes up with this funny stuff, but I can't wait to read the next book Night Owl s Jana DeLeon has a breezy style with enough of a comic touch to leave you smiling. The Romance Reader Son of a gun, were having fun in the bayou! Her hometown is Carlyss, but you probably won't find it on a map. Her family owned a camp located on a bayou just off the Gulf of Mexico that you could only get there by boat. The most important feature was the rope hammock hanging in the shade on a huge deck that stretched out over the water where Jana spent many hours reading books. Jana and her brother spent thousands of hours combing the bayous in a flat-bottom aluminum boat, studying the natural habitat of many birds, nutria and alligators. She would like you to know that no animals were injured during these "studies," but they kept makers of peroxide in business. Jana has never stumbled across a mystery or a ghost like her heroines, but she's still hopeful. She now resides in Dallas, Texas, with the most spoiled Sheltie in the world.
