KurzbeschreibungLaugh-Out-Loud Historical Fiction!Ruth Caldwell has always tried to live up to her mother's expectations of what a lady should be...often with less-than-impressive results. But when she's forced to journey west to meet the father she's never seen, Ruth hopes that this might be the place she'll finally fit in. But her arrival brings about more mayhem than even Ruth is used to. She soon meets Josh McCain, the son of her father's business partner, but discovers some startling news: Her father passed away years ago. And though Josh urges Ruth to claim her inheritance, he grows suspicious of something more sinister at hand when her "accidents" seem to go beyond Ruth's normal bumbling ways and leave her very life in danger.KurzbeschreibungLaugh-Out-Loud Historical Fiction!Ruth Caldwell has always tried to live up to her mother's expectations of what a lady should be...often with less-than-impressive results. But Ruth has the best of intentions. Truly. It's just that her attempts to live up to her mother's expectations of how a lady should act have often yielded...well, less than impressive results. Josh McCain is speechless when he sees Ruth step off the stage in Folsom, California. Sure, it looks like she's been sleeping in her gown for the past week, but with a crown of riotous curls and those deep green eyes, she's certainly the most beautiful woman he's ever met. But attraction is not all that causes sparks between Ruth and Josh. With Ruth's legitimate claims to an inheritance, the Broken P Ranch's future is suddenly precarious. And when Ruth's "accidents"-going beyond even her normal bumbling ways-seem to take a sinister turn, Josh must decide where his loyalties lie.
