Von M. Kate Quinn : Letters and Lace (The Ronan's Harbor Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters and Lace (The Ronan's Harbor Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ok.Von eva__The book was fine. There are a large number of characters, and they all vie for their own happy ending. I am not a huge fan of novels where the main character is a divorced woman who is running a failing inn - why is this such a

popular theme? Given that, I enjoyed this book more than others of its kind, although the mystery does not add anything to the love story.

Kurzbeschreibung A chance meeting at a beachside pub...A sultry dance with a stranger...A brazen kiss...Not a good way to meet your enemy. Trouble arrives special delivery when divorced innkeeper Sarah Grayson receives a letter of complaint against the renovation of her Jersey shore inn for her daughter's wedding. At a town meeting, she's stunned to learn her adversary is none other than the stranger from the dance floor, Benny Benedetto. Benny should've known better than to buy property with his brother. Now he has to protect his investment without letting his attraction to Sarah get in the way. When she begins receiving threatening letters, all fingers point to Benny--but he has his own hunch. Determined to solve the mystery, Benny and Sarah search for the writer's identity together. But the undeniable passion they unveil proves that sometimes while chasing one desire, the heart's compass leads another way.
