Lucas: Wunderbar! Von Minelli Lucas und Ash sind beides extrem liebenswerte Charaktere. Nachdem Ash vor 7 Jahren in einen anderen Bundesstaat vor ihrer unerwiderten Liebe zu Lucas geflohen ist kommt sie jetzt zurück. Leider sind Lucas und Ash Vater an einem schwierigen Fall und Ashs Vater wird bedroht, so dass die beiden es für das Beste halten Ash versteckt zu halten. Ash ist durch und durch eine Polizistentochter. Sie wurde ihr Leben lang darauf getrimmt genau das zu machen was ihr gesagt wird. In vielen Büchern ist es ja so, dass man denkt "Oh Mann, mach doch einfach mal was dir gesagt wird". Jessica Wilde hat hier einen Charakter geschaffen der das tatsächlich macht. Sie denkt logisch und handelt kaum überlegt und wenn dann aus verständlichen Gründen. Man sollte meinen, dass das nervt, aber mich hat das überhaupt nicht gestört. Das Buch war spannend ohne dass die Protagonistin irgendeinen Mist baut der nur Kopfschütteln beim Leser verursacht. Was mich auch total begeistert hat war die Familiendynamik und ich schließe da Lucas mit ein. Diese Familie ist einfach toll. Der Vater muss der beste Protagonistenvater sein den ich je kennen gelernt habe. Mir war eigentlich klar, was passiert, manche Dinge kann man nicht so ausgehen lassen, wie es zunächst aussieht. Vor allem nach diesem Satz: Peace swept through me. He always kept his promises. Beste Stelle: He mentally slapped himself, now was not the time. Hell, I didn't even believe me. Lese die ganze Reihe: JA Lese mehr von der Autorin: JA Lese ich noch Mal: JA Leseempfehlung: JA Book boyfriend potential: 95% (5% Abzug weil er 7 Jahre gebraucht hat, ansonsten ist er wundervoll) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Leverage Book 1 Von Mic This is a great book! Just one point that did not sit well...but first...I absolutely enjoyed all of it and I adored Lucas and Aislinn 'Ash'. This couple is so sweet and how they tiptoed for so long around each other ...cute...and all the taff guys brothers/father...adorable. Really, which woman would not want these guys in her life who are protecting her with all their hearts and love? Well maybe it was a little bit too much protecting in the beginning of her life, but still they meant good and love her. The story has the right amount of twists and turns and you can not really figure out who is all behind the awful things..and even the surprise moment do not come short. I loved the relationship between Ash and her father. They had also much character and the love between them all.. you really could feel it. Lucas and Ash....;)....they are perfect for each other. A perfect match and a steamy combination...yum The only point and the reason because I gave this book 4 stars is, it seemed that Ash was so hurt with what Lucas had done to her in the past, but her heart was always his (The V-Card in this age...nope not believable)...And this would not change...but the getting together was way too fast. He just told her what a idiot he was and here she goes and opens her arms wide to let him back in...no crawling to her feet...no big gesture...no amount of time to let him wait a bit. That's what I was missing...but the story was worth it and I enjoyed this book a lot.

Kurzbeschreibung Adventure. That's all Aislinn 'Ash' Brannock wanted in her life. Her dad and two brothers - all cops - got to see it all, but their over-protectiveness made her feel like she had been locked away in a tower with three fire breathing dragons watching her every move. Yes, it was that bad. The only silver lining? Lucas Shade. Her brothers' best friend growing up, and apparently the only man she will ever love because let's face it, none of the others even come close. After an unfortunate mistake lands her back in her father's home, her world is turned upside down and Lucas is there in a tightly wrapped package of serious with a big red bow on top. Life just got interesting, but it comes with a price, one she never wanted to pay. Detective Lucas Shade never had a real family, but the Brannocks took him in as one of their own and he never took it for granted. Ash was a big reason for why he stuck around, but in order to save himself the beating of a lifetime from her two older brothers, he kept his feelings for her hidden. When the case he has been working on for months takes a turn, Ash could become the leverage the bad guys have been waiting for, but keeping her invisible may destroy everything Lucas has worked so hard for. Good thing Ash is the only person he would give up everything to protect. For readers 18+ due to language and sexual situations. Kurzbeschreibung Adventure.
