It is the sweet "I was hurt - will never another man again - falling in love" romance that has surprising (and some less surprising but not less charming) turns, fun, adventure and hope for overcoming old, not working schemes. I can also highly recommend other Susan's books, she is a keeper! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice read Von Trish I "bought" the book for Zero Euros and therefore my expectations were not that high. The more I was surprised to find out that this was actually a really lovely treat. Mind you - It is not Jane Austen but a book I would definitely recommend if you were looking for something to bring along for your summer holidays or rainy days inside. I liked it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eigentlich 3,5 Sterne Von Bschungshobel Ganz nett, für zwischendurch echt OK. Die Geschichte ist nett mit Happy End ohne schmalzig oder weit hergeholt zu wirken. Ich schwankte zwischen 3,5 und 4 Sterne, wobei ich 4 und 5 Sterne nur vergeblich, wenn ich mir sicher bin, dass ich dieses Buch unbedingt noch mal lesen muss und das ist nicht wirklich der Fall.

Kurzbeschreibung After discovering her fiancé cheated on her, Kaitlin is focused on two things: remodeling her new home and avoiding men at all costs. But her friends insist she get back in the driver's seat and date again. They strike a hard bargain and agree to paint her house if she goes on five dates. Anxious to get the paint job started, Kaitlin schedules five dates in five days, but her plan falls to pieces when a sexy bartender at her venue-of-choice makes her swoon. Even though he observes each of the dates from afar, she can't help but want him to come a little closer. The last person she should fall for is a mysterious bartender with a sinful smile, but Paul makes her want to take risks again. Will the charming man with electric blue eyes break her heart or will he prove to her that a license to date is what makes life worth the drive?
