lesenswert - worth reading Von Lesen und Trumen - Sabine aus Ich habe dieses Buch erhalten im Austausch für eine ehrliche Rezension und werde versuchen, diese in deutsch als auch in englisch zu posten. I received this book in exchange for an honest review and will try to post my review in german and english also. Ich gehe davon aus, dass die Leser dieser Rezension das vorhergehende Buch "learning to live" gelesen haben, ansonsten - Spoiler! Inhalt: Zwei Jahre sind seit Cieras Tod vergangen. Zwei Jahre, seit Topher Ciera versprochen hat, das Leben voll zu leben. Aber das ist gar nicht so einfach. Da lernt er Destiny kennen, die das genaue Gegenteil von Ciera ist. Sie lässt sich von niemandem etwas vorschreiben, sagt offen, wenn ihr etwas nicht passt, und doch merkt man gleich zu Beginn, dass sie tougher tut, als sie wirklich ist. Meine Meinung: Die Geschichte erzählt grtenteils in der Gegenwart, doch durch Rückblicke in die Vergangenheit sowohl von Topher als auch Destiny erfährt man Einblicke in ihr bisheriges Leben, und es ist auch nicht unbedingt Grundvoraussetzung, dass man Tophers und Cieras Geschichte davor gelesen hat, aber nach meiner persönlichen Meinung ist es schön, wenn man die Bücher in der richtigen Reihenfolge liest. Man bekommt hier eine Geschichte geboten, die sich in eine Richtung entwickelt, mit der man nicht gerechnet hat, und die wirklich spannend und gut geschrieben ist. Man erfährt, dass Destiny nicht ganz so tough ist, wie sie versucht, einen glauben zu machen, und man liest, dass Topher - obwohl er sich versucht von ihr fernzuhalten - von Beginn an von ihr fasziniert und hingezogen ist. In manchen Teilen ging mir die Geschichte ein wenig zu schnell weiter, allerdings war es trotzdem noch glaubhaft, was um die beiden herum passiert ist. Auch das Ende fand ich sehr schön gestaltet, und hat nun Tophers Geschichte so richtig schön abgerundet :-). Mir hat das Buch gut gefallen! If you haven't read Tophers story in "learning to live" and want to read it, there may be spoilers in this review! Two years have gone since Topher lost Ciera. Although he promised her to live his life fully, it's not as easy done as said. That's when he meets Destiny. She's the complete opposite of Ciera - she's tough, stubborn and can be forced to nearly nothing. But soon you learn that she's not as tough as she wants you to think. Topher's attracted to her from the moment they met, although he doesn't want to in the beginning. The story plays in present, but through glimpses in the past of Topher and also Destiny you learn what happened before they met. It's not necessary to read Tophers and Cieras story before, as you get enough information about them in this book, but in my personal view it's nevertheless nice to read the stories in the right order. Kira Adams tells us a completely different story as I'd have expected. It's really good written and partly very exciting. Although sometimes the action proceeds too quickly, it's nevertheless a believable story. I really liked the story of Topher and Destiny and how they have a rocky way to come together. I really liked Destiny. She's not the girl as I'd have expected in the beginning, and I've been happy to read about Topher, who had to endure so much in his life before. Read it!

Kurzbeschreibung Topher I never imagined I would find someone who completed me, just to lose her. I never imagined the love I felt could be overshadowed by the deepest depression I'd ever lived through. Two years had passed since she touched my life, since she was taken from me. I was afraid to let anyone else close, afraid to lose them like I lost her, and then Destiny crashed into my life. She was nothing like Ciera and that's what attracted me. The more she pushed me away, the more I wanted her. I knew I was playing with fire, but I liked the burn. Destiny He was so unexpected, nothing like the guys I would normally go for, but he was persistent. He saw the ugliness inside of me, and he accepted it, he nurtured it. I'd been looking out for me for so long, that when he came into the picture, I couldn't accept it. It was too good to be true. He was too good to be true, too good for someone like me. But when shit hit the fan, Topher was there by my side, holding me up. He didn't run away when things got tough, and that meant the world to me. I wasn't Ciera, I didn't want to be her. I just wanted a chance to show him the love I know he deserved. Kurzbeschreibung Topher I never imagined I would find someone who completed me, just to lose her.
