**Von Camille Pagn : Life and Other Near-Death Experiences** before purchasing it in order to gage whether or not it would be worth my time, and all praised Life and Other Near-Death Experiences:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Wow...just wow.Von PiperWow...just wow.Don't waste your money or worse: your time because you have read this book and watched the movie.SPOILER: Woman finds out she has a rare kind of cancer and gets a second opinion from Google! Her mother died of cancer too. Goes home to husband who tells her he's gay.Woman goes to work next day and quits her job. Day after that she sells her apartment. Goes on 4 week vacation in the Caribbean. Takes a

private plane, plane crashes, she survives, blames the pilot - thank god she never has to see him again - she sees the pilot again, she's mean to him but he falls for her, tells her he had cancer too. It's Love - true love after 3 dates. He convinces her to live!!! She goes back to get treatment. Gets an appointment immediately, doesn't go to the appointment. Makes new appointment which she immediately gets. Doctor tells her he understands, his father died of cancer...She gets treatment, marries the pilot gets pregnant, they just pause the chemo because it is bad for the fetus - but I mean it's just some rare incurable cancer... Gives birth, goes back to chemo. She is not healed but love! you know.... Starts a foundation for children who's parent died of cancer.Oh did I mention that she's pretty much a b\*\*\*\* through out the whole book??I have no idea how this book got 4 stars. It has no character building or any depth What So Ever.Plus it was quite offensive at times.Given this wasn't the worst book I ever read: 1.5 Stars0 von 0 Kunden fanden die folgende Rezension hilfreich. Such a overwhelming good bookVon KundeTragic and lovely and with much surprises the female hero goes through lifechanging events with a good since of humor and the right people beside her.4 von 4 Kunden fanden die folgende Rezension hilfreich. Horrible readVon CarlaI honestly cannot remember the last time I've disliked a character as much as super cool, totally narcissitic, self-aborbed Libby. Yes, she may have been diagnosed with terminal cancer, but the total inability to even talk or listen to her husband (note! The ONLY man in her life, the man she's been with for roughly 20 yrs) and immediately breaks up after him revealing news to her that are a serious problem for him - that's a total no go.The reason I'm giving 2 stars is that the style isn't bad,

ProduktbeschreibungLibby Miller has always been an unwavering optimistbut when her husband drops a bomb on their marriage the same day a doctor delivers devastating news, she realizes her rose-colored glasses have actually been blinding her.With nothing left to lose, she abandons her life in Chicago for the clear waters and bright beaches of the Caribbean for what might be her last hurrah. Despite her new sunny locale, her plans go awry when she finds that she cant quite outrun the past or bring herself to face an unknowable future. Every day of tropical bliss may be an invitation to disaster, but with her twin brother on her trail and a new relationship on the horizon, Libby is determined to forget about fate. Will she risk it all to liveand lovea little longer?From critically acclaimed author Camille Pagn comes a hilarious and hopeful story about a woman choosing between a perfect life and actually living.
