**Von Marlene Taylor : Life Is What You Make It, Darlin' (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Life Is What You Make It, Darlin' (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wish There Were MoreVon Joan DauphineI had the opportunity to have met Marlene at the 91st annual NAACP Conference recently, I purchased her book there. I devoured the book in one day. I only have one criticism of what

could have been a great novel, it was too short, 152 pages was in my opinion not enough. I wanted to know more about Bruce's drug addiction, and do not feel a brief mention of it on pg.42 was sufficient. Even when he finally has the nerve to tell Jackie, the author does not create the dialogue he uses to tell her, but instead describes briefly (in four sentences) the relief he feels once he has told her. Marlene you are indeed a good writer, however I wish the book was longer and addressed issues in greater depth.0 von 0 Kunden fanden die folgende Rezension hilfreich. Real problems and emotionsVon CherylI loved this book. I went home and finished the Life Is What You Make It, Darlin', the same night! I like these kind of books but I hated for it to end cause I always want to read some more. I really like how you wrote about places we know here in South Jersey and parts of Philly. This wasn't one of those just run of the mill love stories where everything is all hunky-dory. It was real, with a lot of real problems and emotions. I really hated for it to end. Can't wait to read anything else you've written.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Masterpiece!Von C.A.LindseyI just read your book. It immediately had my attention, from page one! Your book is fantastic! Your story is a masterpiece of finely written expression, full of emotions and realism. I definitely, will be purchasing more of your books. Take care and keep the creativity flowing!

Kurzbeschreibung"Life Is What You Make It, Darlin is a treat... a true romance with a capital 'R'." -- The Philadelphia TribuneDestined to become the love story of the decadeIn this inspirational, yet true-to-life drama Bruce and Jackie Blacksmith have the perfect hookup. They sizzle the G-spot. He's an air traffic controller who takes her on trips around the globe. They live in a beautiful house in a good neighborhood where they know just how and where to titillate each other after so many years together. The two have a dedicated kind of love you seldom see in today's kick-em-to-the-curb society. After jet setting throughout the world for a few years, Jackie and Bruce have settled down into marital bliss as mother and father of twin girls. Shes about to graduate medical school and become a doctor. Hardworking, dependable, loving and smart, Bruce is every woman's dream of a husband, except for one thing: a secret he has held for all the years of their marriage. Jackie is a woman who follows her heart, who thinks she's found the perfect man. Or has she? Will their love reach new heights, or go up in flames as Bruce and Jackie struggle their way through the heartache and terror of the one thing that jeopardizes their world? You've got to read it to find out. Erotic, Spicy, Enticing and at times... Crazy kind of romantic fiction, the kind you can only read here in Life Is What You Make It Darlin'.This is a hard-hitting, yet endearing portrayal of a young married couple working through a difficult time. It's a how-to manual about surviving the ups and downs of love. In a day and age where nothing seems to last forever, where almost everything, including family and relationships, seems disposable, along comes a good, old-fashioned romance to tell us something different. Scroll up and grab a copy today.Kurzbeschreibung"Life Is What You Make It, Darlin is a treat... a true romance with a capital 'R'." -- The Philadelphia TribuneDestined to become the love story of the decadeIn this inspirational, yet true-to-life drama Bruce and Jackie Blacksmith have the perfect hookup.
