Von Janette Rallison : Life, Love, and the Pursuit of Free Throws (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Life, Love, and the Pursuit of Free Throws (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooJosie and Cami are best friends, but they're both jealous of each other. It seems, to each of them, so easy for the other to get what she wants.Josie wants Ethan Lancaster's attention. It's all she can

think about. She loves basketball, but to her it's just a game. To Cami, however, it's serious, and she would kill to have Josie's talent on the court. Josie is just as jealous of Cami, though. No matter how much Josie crushes on Ethan, she always seems to be humiliating herself around him--he and Cami, however, seem to be interacting way more than he and Josie ever have. LIFE, LOVE, AND THE PURSUIT OF FREE THROWS is a cute and fun book, though a little dull at times. The story is told in chapters where Josie and Cami take turns narrating--but their voices are often indistinguishable. Even though the characters have the same interests, one would expect them to be at least a little different from each other--but this is not the case throughout most of the book. Still, though, this is a fun read. Reviewed by: Jocelyn Pearce0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun!!! Komdie fr Teenager und Junggebliebene! Von Viel-Lese-Maus Josie und Cami sind 13 und beste Freundinnen. Das ndert sich, als beide fr Ethan schwrmern ...Ich bin schon sehr lang kein Teenager mehr, lese aber dennoch die Bcher von Jannette Rallison beraus gerne. Sie hat einen super Schreibstil und viel Humor. Es gibt wenig Autoren, bei denen ich so viel vor mich hinlchle und lache, wenn ich ihre Bcher lese. Zudem gibt es immer noch eine Prise Lebensweisheit, die aber nie gezwungen rberkommt. Und auch wenn es leichte Kost ist, gibt es immer wieder Wendungen, die man nicht vorraussieht. Es bleibt von vorne bis hinten spannend. Wer es leicht und locker mag - und nicht in die Tiefe Psyche von Teenagern eintauchen will - ist mit diesem Buch bestens bedient. Eignend sich auch als Geschenk. Clean Read.

Kurzbeschreibung Josie loves hottie Ethan Lancaster, the captain of the basketball team, but she never can do or say the right thing in front of him. So how can it be fair that Ethan is only interested in her best friend, Cami, when Cami isnt even trying for his affection? Or is she? Cami dreams of winning her basketball teams coveted MVP award, and earning the chance to take the court during a special halftime demonstration with WNBA star Rebecca Lobo, but her best friend, Josie, is a better player. So how can it be fair that Josie is a shoo-in for the honor if she is barely interested in basketball in the first place and isnt even trying to be the best? Or is she? Told from two points of view, this novel of freshman life, love, and the pursuit of free throws displays the same delightful humor as Janette Rallison's other comedies. Pressestimmen This novel captures tension of a best friendship gone sour from jealousy, and provides a believable happy ending that will please middle school girls. Booklist Rallison again demonstrates a crisp, witty comic voice. . . . By focusing on events of enormous import to adolescent girls and by keeping the laughs coming, she again delivers a high-school romp that will give readers plenty of fun. Kirkus s This is a fun, realistic, sometimes poignant story about two teens and the ups and downs of their relationship. Written from their alternating perspectives, this book shows how petty differences can be overcome. School Library Journal Kurzbeschreibung Josie loves hottie Ethan Lancaster, the captain of the basketball team, but she never can do or say the right thing in front of him.
