Eine originelle Basisidee, die in typischer Robotham-Manier ausgearbeitet und mit Spannung, Witz und einmaligen Vergleichen erzählt wird. Kein berflssiges Wort, niemals langweilig.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr gut!Von

Birgit Michael Robotham ist ein genialer Thriller-Autor! Ich war zuerst enttäuscht, dass dies kein Ruiz/O'Loughlin-Krimi ist und dazu noch in den USA und nicht in England spielt, aber das hat sich nach wenigen Seiten gegeben. Sehr spannend, hervorragend geschrieben und unbedingt lesenswert!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. A page turner for a beachside read Von Linda M Nothing too clever. Just a thriller that reveals itself at a nice pace. Some surprising moments. Characters aren't very realistic but fits with the story.

Kurzbeschreibung The Shawshank Redemption meets No Country for Old Men in the breathtaking new novel from international bestseller Michael Robotham -- already receiving rave reviews, this is the most original, compelling thriller you'll read all year and winner of the CWA Gold Dagger Award 2015. Why would a man escape from prison the day before he's due to be released? Audie Palmer has spent a decade in prison for an armed robbery in which four people died, including two of the gang. Seven million dollars has never been recovered and everybody believes that Audie knows where the money is. For ten years he has been beaten, stabbed, throttled and threatened almost daily by prison guards, inmates and criminal gangs, who all want to answer this same question, but suddenly Audie vanishes, the day before he's due to be released. Everybody wants to find Audie, but he's not running. Instead he's trying to save a life . . . and not just his own. Pressestimmen "I love this guy's books. Try Life or Death and you'll see why." Lee Child "Life or Death is a nerve-shredding thriller with the heart and soul so often missing from lesser crime and suspense novels. I couldn't stop reading, yet I didn't want Audie's story to end. Robotham is an absolute master." Stephen King "It has one of the great plots of the year... constantly unfolding and fabulously revelatory. It reads so smoothly it will make you forget about any turbulence you may encounter while aloft or about the traffic outside your minivan in the carpool lane. This is a great chase novel. We should celebrate it." Alan Cheuse, The Dallas Morning News "A pitch perfect plot with a stunning twist that involves a sheep in wolf's clothing. Talk about topsy turvy --- but it works --- big time." Steve Berry, author of The Lincoln Myth and The Jefferson Key "Robotham creates fascinating characters and gives them wonderful dialogue." Harry Levins, St. Louis Post-Dispatch "Robotham has a talent for creating fascinating and complex characters, and Audie Palmer may be his best yet." Booklist (starred review) [A] prison-break tale with a twist . . . The writing is top-notch . . . Plenty of edge-of-the-seat excitement, forcing readers to frantically turn the pages to find out how all these different strands intersect. Robotham's skill as a writer remains undeniable: He offers memorable characters caught up in an irresistible story." Kirkus s "Michael Robotham is the real deal." David Baldacci "Robotham is a first-class storyteller." Associated Press Werbetext The chilling new psychological thriller from one of the most brilliant crime authors of today.
