Von Estela Vazquez Perez : Light and Shadows (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Light and Shadows (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A VERY QUIANT STORYVon Pamela FoleyOver the past year, I've seen this book cover in several FB groups I'm in. It has always called out to me and I finally bought the book. I'm glad I did. It's an elegantly written story of two best friends, closer than sisters, Teresa Eloisa. Other of Teresa's close friends is Marcos, who she always felt should be

with Elosia. But Eloisa is engaged to other man, then tragedy strikes, and their worlds are torn apart. Through their friendship and the help of Marcos and Joaquin, they learn how to open their hearts to the possibility of true love. A very quaint story.

KurzbeschreibungNew York theater actress Teresa Guzman has landed the coveted lead role in the true story of the life of a murdered prostitute, but the emotions the role evokes are almost more than she can handle. Haunted by the suffering of her character, Teresa is losing faith in men and fights not to fall in love with Joaquin Solis, a generous fan. Joaquin will have to prove his love for Teresa is genuine.After the tragic death of her fianc, professional singer Eloisa Morales is putting her life back together. Eloisa wrestles with the decision of whether she will ever sing again. As she tries to find her path forward, Marcos Marquez, the theater's biggest backer, is determined not to lose Eloisa and the chance for love to her grief for her late fianc.As the four lives intertwine, their passion for the arts and for helping women like Teresa's character will bind their lives together in a romantic and mystical journey to overcome their fears of bearing their souls and help them learn to trust, on and off the theater stage.KurzbeschreibungNew York theater actress Teresa Guzman has landed the coveted lead role in the true story of the life of a murdered prostitute, but the emotions the role evokes are almost more than she can handle.
