KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wunderbare StoryVon -KundeZuerst dachte ich es ist eine einfache Sex-Geschichte. Es stellte sich heraus, das es eine intesive Erzhlung der entstehenden Beziehung zweier Mnner ist.Ich empfehle sie jedem der gerne lesen mchte, dass es in altreichen Familien doch immer mal wieder Menschen gibt, die die Intrigenanhafeten und psychischen Probleme ihre Familie hinter sich lassen wollen.Man muss nich homosexuell sein um Spa am Lesen dieses Buches zu haben. ;-)

If you already read "The safe heaven" from Caitlin Ricci you will find a lot of similarities. I am not sure who copied whom - anyway, I loved both stories. The love-story of the traumatized rich boy (man) and his broken body-guard is both exciting and heart-warming. I deducted one point because of the very complicated and confusing family relationships.

Das Buch Fing sehr vielversprechend an, dich irgendwann wurde mir die Story zu abgedreht und ich habe nicht weiter gelesen.

Kurzbeschreibung
After a year of picking up the pieces of his shattered life, former US Marshal Micah Beasley takes a job as bodyguard for a spoiled rich kid who can't leave his house. It's supposed to be a cupcake assignment. He just needs to get back in the game. What could possibly go wrong?
Brilliant and incredibly talented, Christopher (Kit) Auberon wears tragedy as a second skin. Kit is all that's left of a powerful family. Seemingly forgotten, he's spent his entire life in seclusion at the family estate, and he likes it that way. He's free to play his games and create worlds without ever having to set foot in the real one. Kit's past is anything but forgotten. When death threats become real threats, Micah and Kit are forced to put their differences aside to discover who wants Kit dead. But there are monsters in Kit's closet that should never be disturbed.
Dark fairy tale subject matter.

Born and raised in the wilds of north west Florida, I currently make my home in Mobile, Alabama, where I attended the University of South Alabama. My interests are as diverse as the topics about which I write. I love to quilt, cook, and troll resale stores for bargains. Being a good southern girl, I love football and fried food. I write southern themed spicy romance of the het and gay variety. Because love doesn't care who you are.
