Von A. Meredith Walters : Light in the Shadows (Find You in the Dark) before purchasing it in order to gage whether or not it would be worth my time, and all praised Light in the Shadows (Find You in the Dark):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. 10 starsVon AnelavaI need more adjectives to express how amazing, fantastic, incredible this book is. It is an absolutely perfect sequel to Find you in the Dark.Clay is gone, leaving Maggie with a letter in which he tells her to move on.

After weeks of living with a shattered heart Maggie finds at last enough strength to move forward. It is not easy as she is known as a girl whose boyfriend tried to commit suicide but step by step, with the help of her friends, she is on her way. She even tries to go on a date. Clay tries to get himself together and this time it is a successful albeit a slow process. Though he told Maggie to move on, there is nothing scarier for him that she will leave him for real. He can't stop thinking about her and he definitely can't stop loving her. Never again did he hope to see her. But life has its ways, sometimes very hurtful ones, to bring people together. When unthinkable happens, Clay is forced to leave his new "home" and come back. Some things never change, but can a broken heart trust a second chance? Can Maggie allow herself to try again? Can Clay conquer his darkness and be there for Maggie? Sometimes love is not enough. Or is it? Can they find Light in the Shadow? The book is simply amazing! There is enough of pain and tears, enough of love and fun. It feels real. And as a reader you can absolutely connect with the characters, feel their inner turmoil, struggle and pain. And I am happy that the author didn't convert this bittersweet romance into a Disney story, but chose an absolutely fantastic ending instead. I give this book 10 stars :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. A sobbing mess... Von LittleDarlingLove cannot heal you, but it can give you the motivation to heal yourself. This is basically the book in one sentence. Light In The Shadows picks up, where Find You In The Dark ended. Maggie is trying to come to terms with the events of the recent past and with Clay being gone and cutting off any communication with her. The girl who used to be fun, outgoing and lively is now consumed by the dark brought about the end of her relationship. She isn't willing to let go of Clay and to give him or their relationship up. But not hearing from him and not knowing when or if she ever will again, leaves her in an emotional limbo that is hard to get through. Not even her friends or family can get her out of the depression she has fallen into. In the meantime Clay is trying to heal and to get better. Having been admitted by his parents to a mental health centre he is starting to work through his issues and trying to fight his demons. He is learning to come to terms with his mental illness and learns slowly to accept it as part of who he is. Now he only needs to learn to control the destructive urges that nearly cost him his life and for all he knows cost him the love of the one person he ever truly cared about. Clay and Maggie are suddenly brought together again by a tragic event. Step by step they revive their relationship, committed to make it work this time. They realize they need to learn from the past but have to leave the darkness that nearly destroyed them behind. In my opinion the second book is better, stronger and more emotional than the first one. And that says quite a lot. I loved how we now got Clay's point of view. While in the first book he sometimes could come across as a jackass, we now see the inner struggles he fights every single moment in order to control the urges his mental illness brings about. Witnessing his struggle and the courage he shows every single moment of every single day made me weep for him. Underneath all this darkness, the fear, the anger and the pain, is a young man that wants to be loved. That is so full of admiration for the people he loves and that only wants to be loved back. He has a very vulnerable emotional side and it is all the emotions that he has a hard time dealing with. A. Meredith Walters created a character that just captivated me. He is strong, he is fierce while at the same time being broken and troubled. It was beautiful to witness his journey of healing. I wept for him, I rejoiced with him and I absolutely adored him. With Maggie the author makes it possible to experience the pain and anguish that mental illness will have on the partner. I found Maggie to have matured since the first book, not willing to give herself up anymore or to give her trust too easily to Clay after being hurt. But despite the reservation she has, she is there for Clay through all the ups and downs, not giving up on him even when he tries to make her. Their love was beautiful, strong and fierce. It made my heart feel all fuzzy and warm. And not to mention the epilogue that made me sob with lots of happy tears. It is definitely a 5+ star read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. WOW Von Becky! Its an amazing love story. I am still speechless, wonderful book. Its a book which I highly recommend to read.

Kurzbeschreibung In the bestselling sequel to Find You in the Dark, A. Meredith Walters continues the emotional story of Maggie, Clay, and the power of unconditional love. How do you keep going when you feel like your life is over? Maggie never thought she'd see Clay again. So, she attempts to put her life back together after her heart has been shattered to pieces. Moving on and moving forward, just as Clay wanted her to. Clay never stopped thinking of Maggie. Even after ripping their lives apart and leaving her behind to get the help he so desperately needed. He is healing slowly. But his heart still belongs to the girl who tried to save him. When a sudden tragedy brings Maggie and Clay face-to-face again, nothing is the same. Yet some things never change. Can the darkness that threatened to consume them be transformed into something else and finally give them what they always wanted? And can two people who fought so hard to be together, finally find their happiness? Or will their demons and fear drive them apart for good? The thing about love is that even when it destroys you, it has a way of mending what is broken. And in the shadows, you can still see the light. *Pressestimmen* "I can't recommend A. Meredith Walters' books enough... You don't leave her books behind after the story has ended. These are the kinds of books you carry with you." (In The Best Worlds) "There is no question that A. Meredith Walters is one of my favorite authors. She always writes her stories so that we can relate to the characters, they jump out of the books and into our hearts each and every time. Her books

have deep meaning to them but are also sweet and sassy with some sexy to steam up the pages." (Book Addict Mumma Book Blog)"BRILLIANT, AMAZING, GUT-WRENCHING!"
