loved it!!! Von Sabine H. Once again I loved it from the start. Eine meiner absoluten Lieblings Reihen und ich wurde wieder nicht enttäuscht. Ein absolut tolles Buch in einer tollen Reihe! von 2 Kunden fanden die folgende Rezension hilfreich. Well done, amusing.. Von starbooks IHAs always! I love them all and indeed it is all of them we are Meeting here again. Ten years have passed, Anwyl's offspring are grown up and are fascinating as ever, Dagmar's children are new to the plot and bring interesting surprises. Elina, daughter of the Steppes is a nice addition to the clan. We have new enemies lurking and guess What? - Brigida the foul is still alive and charming as ever. The Dragon clan is so entertaining, I love them all, their antics never fail to amuse. But most of all, I simply adore Anwyl! The only thing I Do not like about the Dragon Kim series is the fact that I have to wait for the next book to come out.

Kurzbeschreibung "Laugh-out-loud funny--I loved it!" --New York Times bestselling author Thea Harrison  
The trouble with humans is that they're far too sensitive. Forget you put a woman in the local jail for a few months--and she takes it so personally! And yet she is the one trying to assassinate the queen. And now I'm trapped with Elina Shestakova of the Black Bear Riders of the Midnight. . . gods! That endless name! But what am I to do? I am Celyn the Charming with direct orders from my queen to protect this unforgiving female. Even more shocking, this unforgiving female is completely unimpressed by me. How is that even possible? But I know what I want and, for the moment, I want her. And I'm sure that she, like all females, will learn to adore me. How could she not when I am just so damn charming? Praise for The Dragon Who Loved Me "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book." --All Things Urban Fantasy "Aiken aces another one." --RT Books, 4 Stars

Originally from Long Island, New York Times bestselling author G.A. Aiken has resigned herself to West Coast living, which involves healthy food, mostly sunny days, and lots of guys not wearing shirts when they really should be. Writing as Shelly Laurenston, she is also the creator of the wickedly funny Pride series. For more info about G.A. Aiken's dangerously and arrogantly sexy dragons, go to [gaaiken.com](http://gaaiken.com).
