KurzbeschreibungGenevieve and Jeremy have known each other since they were seven, and have been summertime best friends at Camp Meira, a Jewish overnight camp in the mountains. As campers, and then as staff, their friendship was a constant, something neither wanted to change, no matter how tempting those changes might be. Then, last year, with little warning, Jeremy left camp early. After that summer, Gen left the country on a graduate fellowship. Now, a little over a year since they were last at Meira, Gen and Jeremy are back together to help run a special Winter Camp during Hanukkah. Any water under the bridge is frozen this time of year, and with so much left unspoken and unexplained, this week may be their chance to rekindle their friendship, or turn it into something
