Von David Crawford : Lights Out (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lights Out (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Tolles BuchVon M.K.Schwer in Worte zu fassen, aber das Gesamtbild stimmt einfach und das trotz kleinerer Schwchen (einige Charaktre sind doch sehr flach und haben einfach unnatrlich viel Glck). Dieses Buch liegt fr mich noch vor Lucifers Hammer / One Second After und ganz, ganz weit vor Going Home und Patriots. Abgesehen von kleinen Ausnahmen ist die Charaktere twicklung glaubhaft und die Geschichte in einem (relativ) glaubhaftem Setting.

Insbesondere ist das Buch auch dick genug, dass es den Namen Buch verdient hat. Wer das Genre mag wird dieses Buch lieben. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Best prepper novel so far... Von Luke This book is highly entertaining and the author often shows a good understanding of human nature, interactions and problems. Other prepper novels I've read are really, really stupid in comparison (extreme black-and-white thinking, obsession with guns and equipment etc.). Recommended if you like the genre! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und regt zum Nachdenken an. Von Kunde Habe das Buch sehr gern gelesen. Bin kein Prepper oder so aber den einen oder anderen Gedankenansto nimmt man schon mit.

Kurzbeschreibung Downloaded from the internet over three million times, this exciting, action-packed, survival story is finally available in book form. Lights Out chronicles the challenges of Mark Karate Man Turner when the lights go out over most of the free world. He must find in himself the ability to unite his family, friends, and neighbors if any of them are to survive the harsh reality that everyday life becomes when the veneer of civilization is stripped away. Kurzbeschreibung Downloaded from the internet over three million times, this exciting, action-packed, survival story is finally available in book form. Lights Out chronicles the challenges of Mark Karate Man Turner when the lights go out over most of the free world. He must find in himself the ability to unite his family, friends, and neighbors if any of them are to survive the harsh reality that everyday life becomes when the veneer of civilization is stripped away. ber den Autor und weitere Mitwirkende David Crawford is an avid outdoorsman who likes to hunt, fish, hike, off-road, and shoot. He is a third degree black belt with the American Society of Karate where he teaches children and adults. Residing in San Antonio with his wife, he is the father of two, and is working on his next novel.
