penniless and a broken engagement has left a whiff of scandal around her. She has a final opportunity to snare a fortune during a house party at the home of the Redmonds. Miles Redmond, the host and an explorer and naturalist is, of course, out of her league ' but some of the other guests are possibilities...Miles's life has been mapped out and he expects to propose marriage to Georgiana, a suitable girl, at the end of the house party. But Cynthia Brightley seems to hold some interest to him and as he helps her to find a suitable match at the gathering, he may get more than he bargained for. Julie Anne Long is a very good writer with an excellent style, great description and a real focus on emotions. She is able to invest what is perhaps a fairly sparse plot with a great deal of interest and character. Unfortunately the writing occasionally slips into Americanisms but overall it was a good book with a few references to her previous novels and some possible characters for future stories. Synopsis Miles Redmond, the second son of the wealthy Redmond family of Pennyroyal Green, has his family's dark good looks, the cool, studious demeanor of the scientist he is - and formidable sensual talents, which he discreetly and enthusiastically shares with the ton's aristocratic widows. But the very notion of 'love' and its side effects - poetry, idiocy, obsession - amuses him. When it doesn't bore him. Which is why he's blindsided when Cynthia Brightly - the dazzling, slightly scandalous, ambitious and all-but-penniless belle of the season - manages to steal his heart at a ball only to break it minutes later with words he wasn't meant to hear: 'Miles Redmond? Why should I settle for a dour second son when I can have an earl?'. The tables turn two years later when Miles becomes the Redmond heir and Cynthia arrives in Pennyroyal Green trailing a whiff of scandal and a hint of desperation only Miles senses. His mocking offer to help her husband hunt from the lords on hand - as Redmond heir, Miles couldn't possibly marry her - evolves into an incendiary passion that upends their notions of love, duty and ambition.
