Political factor is interestingVon freelikethesunAfter writing about the Girl in the box who could travel all over the world and fight enemies here and there, it is now interesting to see the development of the politics about the metahumans. Humans are getting afraid and voting metahumans out of their countries in the UK and Europe. So far the US has still to follow... or not.Sienna still solves her case, kisses the cute detective and flies home again. The case itself is pretty

disgusting with some psycho meta having a knife lady taking their hostages' skin off inch by inch. That is described pretty detailed and is not necessary. That's why I gave only 3 stars.0 von 0 Kunden fanden die folgende Rezension hilfreich. Engaging writer and an in depth story Von Hazel Really enjoyed this book and have went on and read the rest! Am only sad that I have to wait for the next!!
