**Von Connie Mason : Lionheart (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lionheart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Connie Mason RULES!Von Detra FitchLionheart had been ordered by Prince Edward to take Cragdon Castle. That siege was where he first met the White Knight. However, once the castle had been claimed, the White Knight was nowhere to be found. Instead there was the lady of the keep, Vanora. The earlier battle had allowed cover for the escape of Daffid of Deverell and the White Knight. Lionheart soon had a vendetta against the elusive White Knight. In the meantime,

Lionheart found himself obsessed with Vanora. His honor refused to allow him to simply claim her as the spoils of war. She was loyal to Wales and Llewelyn. He was loyal to England and Prince Edward. To have her, he would have to marry her. Lord Rhys of Cragdon, Vanora's father, had died the Winter before. His warriors were now loyal to Vanora. But they were no match for Lionheart's forces. Through cunning, she helped her warriors escape, enraging Lionheart no end. Yet as she fought him, she could not stop herself from wanting him. To have him, though, would be a form of betrayal. \*\*\*\* A steamy romance, wrought with betrayal, that will ensnare readers quickly. There are times the book seemed to slow down where romance is concerned. However, it overflows with battles and is historically accurate. It is immediately apparent that Vanora is the White Knight. No reader could NOT catch on to that fact before the castle is even captured. Yet the author kept the battle scenes of the White Knight realistic by making the allusive knight slim, wield a lighter sword, and not be as well trained as the men in that time frame. This is not Connie Mason's best work, by far, but I still found myself hooked in the story and unable to stop reading until the last page had been turned. Well worth your time and money. \*\*\*\*Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungWales 1258 Siege From the moment he laid eyes on the arrogant White Knight, Lionheart was determined to best him. Hed been ordered by Prince Edward to take Bragdon Castle, and the slim young warrior on the pure white steed led the defending forces with a skill and daring that challenged his own prowess. No man could defeat the renowned Lionheart; he would soon have the White Knight beneath his sword and at his mercy.Satisfaction But storming through the battered portcullis, Lionheart found no trace of his mysterious foe. Instead, a beautiful maiden awaited him in the hall, her violet eyes flashing with pride, her head unbowed by defeat. Now a different battle was joined, one that required subtler tactics, but no less mighty a weapon. But even as he thought he was gaining the upper hand, his heart was taken hostage by an opponent with far more power than any mere man could possess the power of loveKurzbeschreibungWales 1258 Siege From the moment he laid eyes on the arrogant White Knight, Lionheart was determined to best him.
