Von Anas Nin : Little Birds before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Birds:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. More like vignettes than short storiesVon Tanja L. Walker"Little Birds" was my first foray into the world of Anais Nin. I haven't decided, after reading this, whether I like this or not. On one hand, I love her use of the English language, her spare style, her sense of character and story-telling. On the other hand, too many of the stories presented here ended abruptly, with no real sense of resolution or how the characters got from point A to point B. The most glaring example

is in the story "The Model," in which we get detailed descriptions of the narrator's first two would-be lovers, but almost nothing about the third guy. Flaws aside, this little volume is probably the best way to get acquainted with Nin without investing too much. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Outstanding erotic Von Ein Kunde Wonderful and sensual hardcore that is so soft and touching at the same time. When I read it, it read real! It carries one's uninhabited imagination. Anais recognized passion can and do come in many forms, right or wrong. This is a novel and that readers may enjoy it more without being judgmental. Sensitive theme like title story "little birds" is just a minor reflection of Lolita anyway. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Elegantly sensual Von Mari I adore this book. It's really erotic, but tasteful and refined; it also is cleverly written and sensual, so much that you'll be transported into the stories. I didn't like two of the tales at all, but if you leave them out, this is a very good book. I also recommend Anais Nin's diary.

Kurzbeschreibung Evocative and superbly erotic, Little Birds is a powerful journey into the mysterious world of sex and sensuality. From the beach towns of Normandy to the streets of New Orleans, these thirteen vignettes introduce us to a covetous French painter, a sleepless wanderer of the night, a guitar-playing gypsy, and a host of others who yearn for and dive into the turbulent depths of romantic experience.
