KurzbeschreibungA delightful and hilarious tale.Chattanooga Times Free PressLittle white lies have never been so riskyor so much fun.Orlando SentinelNew York Times bestselling author Mary Kay Andrews delivers another treasure of a comic novel. Little Bitty Lies is a tantalizing tale about an abandoned Atlanta housewife and mother who tells one tiny white lie that sets her world spiraling outrageously out of control. This winning and wonderful romp focuses on about all the important things in life: marriage and divorce, mothers and daughters, friendship and betrayal. Throw in small town secrets, one womans lifelong quest for home, and the perfect chicken salad recipe, and you have an ideal escape for fans of Fannie Flagg, Jennifer Crusie, Adriana Trigiani, Emily Giffin, and the Sweet Potato Queens. No lie!PressestimmenAndrews wry comedic sense runs merrily through Little Bitty Lies, a delightful summer treat. (St. Petersburg Times)Delicious.
