**Von Dennis Lehane : Live by Night: A Novel (Coughlin Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Live by Night: A Novel (Coughlin Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Fabulus - shold be made into a movieVon Paul ReichmannA great portrait of characters growing up during prohibition and taking Tampa apart. Cuban rum runners, Mafia organizers, and fangerous women. What more could you ask for. Danger is that you can't put the book down after a certain point has been reachded. Lehane never disappoints,1 von 1 Kunden fanden die folgende Rezension hilfreich. Schwer aus der Hand zu legenVon Birgit MllerIch konnte das Buch

zwei Nchte lang gar nicht aus der Hand legen - wenn einen der Charakter Joe packt, dann ist es eine spannende Reise. Das Buch ist sicherlich anders als alle vorherigen von Lehane, Story und Charakter waren fr mich unerwartet. Aber es hat sich gelohnt. Prohibition, Tampa, Kuba, die 20er wurden lebendig mit aller dazugehrigen Hrte...Ich kann es kaum erwarten, wer und wie in dem dritten Teil der Coughlin Saga im Mittelpunkt steht? Halbweise Tomas in den 50ern??0 von 0 Kunden fanden die folgende Rezension hilfreich. Thrilling experience and great female characters Von K. Preul take one star off for the small print of this paperback which made it harder to read, as for the story it is a real five star page-turner. Dennis Lehane, who has an amazing ability to adapt his tone to fit the era of which he writes, works crime noir magic in Live By Night. This is a story of moods, settings and characters rendered in period details so exact you sweat and cower in a Boston prison cell, or sweat and drink in a Florida speakeasy, or sweat and yearn watching a beautiful womans hips sway underneath a threadbare skirt as if you were Joes shadow. You can feel the authors giddiness in his own story, the breathless ride he cant wait for you to experience. He works in a bit of ruminative social psychology, really wanting you to root for the good guy gone bad who never loses his good heart. Its an homage to the Humphrey Bogart anti-hero that makes the reader yearn for the putt-putt of a Tommy gun and a smartly turned Fedora, while wriggling uncomfortably with the incongruous romance of the gangsters life. Lehane writes female characters particularly well. Live By Night offers a triangle of remarkable women, each of whom leaves indelible imprints of lust, compassion and tragedy at significant stages of Joes coming-of-outlaw. Get lost in the gorgeous details and the nail-biting moments and never mind the incomplete redemption. Or that dire cement block. I dont think weve seen the last of Joe Coughlin.

Kurzbeschreibung From New York Times bestselling author Dennis Lehane comes this epic, unflinching tale of the making and unmaking of a gangster in the Prohibition Era of the Roaring Twenties now a Warner Bros. movie starring Ben Affleck, Elle Fanning, Zoe Saldana, and Sienna Miller. Meticulously researched and artfully told, Live by Night is the riveting story of one mans rise from Boston petty thief to the Gulf Coasts most successful rum runner, and it proves again that the accolades New York Times bestseller Lehane consistently receives are well deserved. He is indeed, a master (Philadelphia Inquirer) whose true literary forefathers include John Steinbeck as well as Raymond Chandler (Baltimore Sun). And, Boy, does he know how to write (Elmore Leonard). Pressestimmen A gripping rollercoaster of a ride through the darker days of American social history . . . pure class (Herald Sun) His best novel yet, this sprawling gangster yarn so well corralled by Lehane's superb, direct style of writing and attention to detail (Daily Telegraph Australia) Once again Dennis Lehane, author of Mystic River and Shutter Island, creates great characters, great atmosphere and a plot that keeps rolling along, page after page (Courier Mail) A gripping ride (Townsville Bulletin) I've been waiting for this book ever since I first saw it on the publisher's release list about six months ago . . . A crime drama, a love story and a historical tale all rolled into one expertly written novel. Very highly recommended (Illawarra Mercury) Lehane's vivid, detailed prose ripples with tension (The Australian Way) This is dark, gritty and amoral stuff (Sunday Age) A compelling read, but certainly not one for the faint of heart (Sunday Herald Sydney) Lehane gives fascinating treatment to the life of an outlaw . . . His writing is powerful and moving, inviting you in (Manly Daily) Live by Night is up there with [Lehane's] best work (Newtown of Books) Lehane's vivid, detailed prose ripples with tension (Qantas) A top-notch adventure that keeps the pages turning at a rapid rate (Adelaide Advertiser) An utterly compelling novel (Australian Womens Weekly) A major new stand-alone . . . A powerful, deeply moving novel (Country News) Lehane weaves a rich tapestry (Canberra Times) This is his strongest piece of writing yet, stripped back and direct (Saturday Age) Dennis has a knack for creating unforgettable characters that are ordinary men and women going through some extremely tragic situations but with a spirit that drags you completely into their world . . . A powerful novel that stays with you. A must read! (Dark Matter Fanzine) Powerful prose, evocative settings and compelling characters add up to a first-rate read (South Coast Register) He is master of page-turner plots and a sharp and elegant written expression that's adored by critics (Courier Mail) Sharp in detail, Lehane has written a powerful story about prohibition-era America (Weekend Gold Coast Bulletin) Werbetext A major new standalone from the acclaimed author
