Von Wendy Chapkis : Live Sex Acts: Women Performing Erotic Labor before purchasing it in order to gage whether or not it would be worth my time, and all praised Live Sex Acts: Women Performing Erotic Labor:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Expanding the Conceptions of Sex Work Von danielle egan Chapkis in her book "Live Sex Acts: Women Performing Erotic Labour" does an excellent job exploring the often complex experiences of women who perform erotic labor. She gives a careful and sensitive analysis, not falling into the trap of romanticising their lives or disregarding their

experiences. This is a truly excellent book. Which is theoretically complex and includes women's experiences in their own words. I loved it.0 von 0 Kunden fanden die folgende Rezension hilfreich. It was exciting and interesting. Von Ein KundeIt was a neat experience for my wife and I. It was also educational

KurzbeschreibungDrawing on more than fifty interviews in both the US and the Netherlands, Wendy Chapkis captures the wide-ranging experiences of women performing erotic labor and offers a complex, multi-faceted depiction of sex work. Her expansive analytic perspective encompasses both a serious examination of international prostitution policy as well as hands-on accounts of contemporary commercial sexual practices. Scholarly, but never simply academic, this book is explicitly grounded in a concern for how competing political discourses work concretely in the world--to frame policy and define perceptions of AIDS, to mobilize women into opposing camps, to silence some agendas and to promote others.KurzbeschreibungDrawing on more than fifty interviews in both the US and the Netherlands, Wendy Chapkis captures the wide-ranging experiences of women performing erotic labor and offers a complex, multi-faceted depiction of sex work. Scholarly, but never simply academic, this book is explicitly grounded in a concern for how competing political discourses work concretely in the world--to frame policy and define perceptions of AIDS, to mobilize women into opposing camps, to silence some agendas and to promote others.Synopsis Drawing on more than 50 interviews in both the criminalized sex industry of the United States and in the free and open trade in the Netherlands, this volume aims to capture the wide-ranging experiences of women performing erotic labour and offers a complex, multi-faceted depiction of sex work. The analytic perspective encompasses both a serious examination of international prostitution policy as well as a hands-on account of such contemporary commercial sexual practices as an "erotic yoni massage ritual".
