Moving book, with wholesome romance and satisfying morale.Von Ein KundeThis book was really powerful. I am not a crier, but I found my emotions touched by this beautiful story. One can almost see the author's love for humankind shining through. The main character was a wonderful man, suitable for being a hero to any little boy. I think the author truly must have been inspired to write such a magnificent piece of literature. This book was so good, I wish that everybody

could truly appreciate it like I do. I have several friends who have also discovered the beauty in this long-forgotten book. I am hoping to read more of this author! von 2 Kunden fanden die folgende Rezension hilfreich. Loved it! Von Tiffany Simons This book is one of Grace Livingston Hill's best. I love the fact that Michael keeps his word about helping other "street kids" like himself. The romance element is subtle, but it's very powerful and touching.

Synopsis Grace Livingston Hill (1865-1947) was an early 20th Century "Christian Romance" novelist. She was immensely popular in the time that she wrote, contributing hundreds of novels and short stories during her lifetime. Her characters were most often young female ingenues, frequently strong Christian women or those who become so within the confines of the story. Grace's messages are quite simplistic in nature: good versus evil. As Grace believed the Bible was very clear about what was good and what was evil in life, she reflected that cut-and-dried design in her own works. She touched on subjects such as infidelity, defiance, hard-heartedness towards God, and deception, to name just a few. Grace wrote about them all and could manage a happy, or at least satisfactory, ending to any situation. Jesus, the ever-present (though unseen) reoccurring character, manages to heal or mend any situation Grace imagined. It was no wonder that in her days she was known as the "Queen of Christian Romance." Her works include: The Girl from Montana (1908), The Mystery of Mary (1911) and Lo, Michael! (1913).
