**Von Harper Sloan : Locke (Corps Security Book 6) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Locke (Corps Security Book 6) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. great bookVon Rady ReadsOMG this book was really the best finish, that series can have! Loved all books of "Corp Security." I am really sad, that it's over. I will miss all the guys and girls so much. Thank you Harper!!!

Kurzbeschreibung Darkness is the only thing I see. Ever since the day my life changed. The day that everything and everyone I held close to me ceased to exist. The day I lost it all and the demons of my past consumed my every waking moment. I tried to keep others at arms length. Tried not to let my darkness taint them. Ruin them. Harm them. And whether I want to admit it or not, as much as I wish I could keep them locked out, they refuse to leave. Refuse to let me suffer alone. If I hadnt been so focused on keeping those demons from flying free, I wouldnt have missed how one perfect angel was able to sneak her way under my skin refusing to let go. Making me want things I dont deserve. She consumes me. Her beauty knows no end. The love she promises tempts me every time shes near. But that pure heart that makes her MY Emmy is the one thing Im convinced Ill destroy if I ever let her close. Im a broken man. A broken man with too much darkness in his soul to ever let her light shine upon me. But even that doesnt stop me from craving her with every single breath in my body. \*\*This is the final book in the Corps Security series. This book is not suitable for younger readers. There is strong language, adult situations, and some violence. There is some brief abuse and themes from outside of our h/H that may be too sensitive for some. \*
